SEATTLE, Feb. 12 (AP) — Facing their toughest week of the season, four games, two with the league-leading University of Washington Huskies, the Oregon State Beavers, coast champions last year, must win all of them to remain in the running for the northern division Pacific coast conference title.

With a full week of rest behind them, however, the Beavers are confident of "taking" the Idaho Vandals in their two games. On their home floor tomorrow and Tuesday night, word from Corvallis says, and then invade Seattle at the weekend for their important series with Washington, in the mood to win.

The Huskies lead the league with 10 wins and two defeats, while Oregon State has won six and lost four. Washington's only two losses, however, were at the hands of Oregon State at Corvallis.

In a non-conference game last night, Washington avenged its previous night's surprise defeat by the University of Montana Grizzlies by overwhelming them with a 60 to 24 win. The regulars piled up a good lead and the second string team then went in.

In the only conference game Saturday night, Oregon won its second straight game at Eugene from Idaho, 31 to 23, and took undisputed possession of third place in the standings.

PENALTY ON 2ND INCOMPLETE PASS THING OF PAST

By Dillon Graham

ATLANTA, Feb. 12 (AP) — The value of the forward pass as an offensive weapon in football was increased today by the removal of two penalties which had curbed the use of the aerial bomb.

The national football rules committee, in its annual meeting here, lifted the touchback penalty on the first forward pass thrown over the goal line and eliminated the five yard forfeiture attendant to a second successive incomplete forward pass.

The first alteration in the rules for 1934 takes away the heavy fine for failure to complete a pass over the goal and probably will result in many more of these daring scoring plays.

Except on fourth down, such an incomplete pass will result only in the cost of a down and not a touchback and the resultant loss of the ball. The touchback feature has been retained for use in the event of a second incomplete pass over the goal.

This new rule is intended to add strength and versatility to the offensive team's attack within the 15-yard line. The widening of the defense to protect against the additional passing threat should also aid the running game of the attacking eleven.

Another action of the committee was to re-define the punt, so as to allow one player to hold the ball for another to kick it. The use of two men in the execution of a punt generally is only involved in the quick kick. Hereafter, the player holding the ball was required to release it before the kicker had made contact.

The change is expected to bring about better and more accurate kicks.

Another step to reduce injuries from the game was taken in prohibiting the use of shoes cleats made of materials liable to chip or fracture.

A further move along these lines was taken in the planning of a safety education campaign among colleges and prep schools to emphasize the need for greater care of minor injuries and more general utilization of proper equipment.

available military force to suppress the uprising.

At Lina it was reported that 18 men had been killed in a battle at the socialist headquarters.

That battle began when government forces attempted to raid the headquarters and the socialists tried to beat them off with hand grenades. The police and soldiers replied with machine guns.

They occupied the headquarters. A detachment of socialists retailed with a raid on the police station, afterwards fortifying themselves on the bank of the River Danube.

It was there that the government artillery was unhampered in a savage effort to shell the rebels into submission. Lina was only one spot in a sudden strife-torn nation.

PARIS, Feb. 12 (AP) — A general one-day strike closed down the whole of France today as 1,000,000 workers walked out in a warning of what they can do should their rights be infringed upon.

The French federation of labor, which called the strike beginning last night, estimated that it was 80 per cent effective.

The ministry of the interior, however, announced that things were going at about half-speed, with light, water, gas, and railroad service unimpaired.

Violence then seemed near, but only a few minor clashes of workers and pickets were reported.

Nearly 500 were arrested for obstructing traffic and for violent picketing and some window breaking.

EASTERN OREGON DEFEATS BOISE IN CLOSE GAME

The Mountaineers of E. O. N. pulled a game out of the fire at Boise Saturday night, defeating Boise Junior college 26 to 23 in a thriller. It was the second victory of the year for Coach Bob Quinn's freshman team.

At halftime the East Oregonians held a 3 to 12 lead and with less than a minute to go in the second half, Boise tied the score at 23 to 23. Then Peterson was fouled as he was attempting to shoot and given two free throws. He caged the first one but missed the second. A Boise man took the ball from the backboard and started to pass, when McCully took the ball away from him and shot a field goal. Just as the gun went off Peterson made his fourth personal foul but Boise missed the free throw.

The E. O. N. team continued the improved brand of ball it displayed here last week in a series with Lewiston Normal school, and was hopeful of making a good showing at Monmouth Thursday and Friday of this week. The season will end here Feb. 20 with a game against the House of David quintet, now playing in Portland on a western tour.

The game at Boise was rough and Crawford, E. O. N. guard, suffered an eye injury that required hospital care and two stitches.
