## Mr. Forsythe Endorses ALL-BRAN for Constipation

If you suffer from headaches, loss of appetite and energy or any other of the frequent effects of constipation, read this voluntary letter:

"After taking pills and tablets for about thirty years for constipation, I started to take your ALL-BRAN three times a day according to directions. Today I can eat cheese, and that is binding, and certainly feel fine."—Mr. Ed. Forsythe, Box 219, Youngstown, N. Y.

"Science says ALL-BRAN provides 'bulk' to exercise the intestines, and vitamin B to further aid regular habits. In addition, ALL-BRAN is rich in blood-building iron.

The 'bulk' in ALL-BRAN is much like that of leafy vegetables. Inside the body, it forms a soft mass which gently clears the intestines of wastes.

Isn't this pleasant 'cereal way' far more healthful than using patent medicines—so often habit-forming?

Just eat two tablespoonfuls daily. In serious cases use with each meal. If not relieved this way, see your doctor.
