

Bare The Brow! Is Novel Note In Chapeaux

By Mrs. M. D. Geller, Hostess, Cloches, Turbans, All-Off-the-Face

By Mrs. M. D. Geller, Hostess, Cloches, Turbans, All-Off-the-Face

The off-the-face hat is the spring's millinery fashion. It is a novel note in chapeaux.

Chapeaux and cloches are two of the most important spring millinery fashions for women of all ages.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

Accessories Add Elegant Note To Wardrobe

Tiaras Are Ideal Sport Wear Is Devised

The simplest evening frock becomes quite the grand robe, by the addition of a tiaralike hair.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

Riotous Color Bursts Forth In Materials

Brilliant Hues Are Combined For Effect

The flowers that bloom in the spring, in la, will have to do their best to compete with the riot of color that has burst forth in the new prints.

Whether the print is small or large, the colors stand out against dark backgrounds, and look very vibrant, but really make a practical combination.

There is another smart trick that prints are up to this spring. The bright ground prints have combined with solid color fabrics.

Prints in silk crepe and 'prints' are not synonymous this spring. Interesting weaves are important for all fabrics, and prints may be had in

A Dark Ground Print With Bold, Colorful Pattern

and crepe, with crepe, more crepe, ribbed crepe, and even ribbed crepe. Lots of rayon go in for prints, too.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

Spring Necklines Offer Many Possibilities

Without tacking or fussing is with us again for spring, and should be greeted with a round of cheers.

Printed silks that wash and have very gay colors are a new version of this on-again-off-again type of neckwear.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.

They are becoming to most everyone, and while they are off-the-face, they do not break the expanse of the face.
