

OREGON QUINTETS PLACE 2 MEN ON ALL-STAR TEAM

By Frank G. Gorrle (Associated Press Sports Writer) SEATTLE, Mar. 1 (AP) — Fortified by the greatest of all northern division Pacific coast conference coaches — Bobby "Goose" Galer — and two other unanimous choices, the Associated Press all-star northwest basketball team this season is one of the most outstanding ever selected.

The quintet is a consensus of selections by coaches, officials and sports writers who have seen all the players in action, and every list sent to the "AP" for compilation included the names of Howard Grenier of Idaho, and Capt. Harold Lee and Galer of the championship Washington team.

Jack Robertson, flashy Oregon star, became Galer's running mate at forward, and Bill MacDonald, rugged Oregon State checker, gained the fifth spot at guard by close margins. Robertson beat out George Hibbard, Oregon State forward, by two votes, while MacDonald had one more than his teammate Julius Lenchitsky, and Capt. Gib Olinger of Oregon, who were tied. Washington State failed to land on the first five.

Galer, the 155-pound Husky sharpshooter who amassed a total of 179 points in 16 conference tilts for a new record will be the only member of the all-star team to return to the college courts next year.

All except MacDonald top the northern division scoring race at the present time with 100 or more points. The all-northern division teams: First: Name Pos. School Home Bob Galer F Wash. Seattle J.
