

ASKS 35 MILLION TO BUY SURPLUS WHEAT FOR NEEDY

WASHINGTON (AP) — Senator Pope (D., Idaho) has introduced a bill providing for the appropriation of \$35,000,000 to purchase and distribute surplus wheat among the needy, use as feed for livestock and exportation.

Under the senator's measure wheat producing areas shown to have large surpluses would be entitled to benefits. At present the most congested area is the Pacific northwest, with its more than 30,000,000 bushel surplus and prospects for a large crop this year, Pope said.

Pope's bill, he said, proposes the wheat be purchased outright at prevailing prices from the farmer, with a view of establishing a price in the Pacific northwest comparable to the Chicago market.

The government would pay the difference between export and domestic prices and export a portion of wheat, he added, the remainder being used as feed for livestock and for relief purposes.

Stabilization operations by the secretary of agriculture, such as holding large quantities of the grain in storage, would be prohibited by the measure, Pope said. It would require that the grain be kept moving, he said.

"It is not my intention," Pope explained, "that the government engage in operations similar to those of the old farm board. I feel, however, that immediate financial assistance should be given the wheat farmers of this country. The success of the entire recovery program depends on the financial condition of farmers."

Stabilization operations by the secretary of agriculture, such as holding large quantities of the grain in storage, would be prohibited by the measure, Pope said. It would require that the grain be kept moving, he said.

"It is not my intention," Pope explained, "that the government engage in operations similar to those of the old farm board. I feel, however, that immediate financial assistance should be given the wheat farmers of this country. The success of the entire recovery program depends on the financial condition of farmers."

DEMOCRATS HOLD MEET AT UNION

A program of activities was mapped out by the Young Democrats of Union county at a meeting of the executive committee held at Union. A pep meeting, for the purpose of organization, will be held at Elgin Tuesday, March 13, at 7:45 o'clock at Rex hall, with Miss Lela Havenscott, of Elgin, one of the vice presidents, in charge. Sen. Henry Hess and J. W. Leonhardt will be the principal speakers, and a program, refreshments and dancing will be enjoyed also.

Victor Eckley was named chairman of the precinct organization committee, the duty of which is to obtain two active members in each precinct to act as committee members. The secretary-treasurer was authorized to obtain blanks for members.

A banquet to be held in La Grande in the future was discussed and plans were made to have a speaker of statewide prominence in the city then. Further plans will be made later.

General Martin will be invited to stop here on his return from Washington.

A large group of the Union county members plan to attend the big meeting in Pendleton Saturday evening, it was announced.

Pierce, Mott Planning Election Campaigns

Although not naming his opponents, Mott predicted he would have at least one man against him for the Republican nomination. He added there are numerous men considering seeking the Democratic nomination.

Pierce said he did not know of any opponents for the Democratic nomination for his position, but predicted there would be a Republican candidate. He is the first Democrat ever elected from the Eastern Oregon district.

The Republican member said that he expected to file for the nomination shortly, but added he had been so busy with veterans' affairs, public lands and other matters that he had not had time to outline an extensive campaign.

The veteran Democrat, who served as Oregon's governor from 1923 to 1927, pointed to his record here as an administration backer.

"President Roosevelt can not put over his policies without a congress and convinced the people of Oregon would not desire to oppose him. Because of administration policies conditions have improved and are continuing to improve."

Both men said they had been active in urging aid for navigation on the Columbia and Snake rivers and said they would continue that work if returned here.

Makes You Forget You Have False Teeth

Don't worry about your false teeth rocking, slipping or wobbling. Fastech, a new improved powder holds them firm and comfortable all day. No goosy, pasty taste or feeling. Eat, laugh and talk with comfort. Get Fastech from Red Cross Drug Store or your druggist. Three sizes. —Adv.

LIBRARY BOOK CHAT WILL BE HELD TONIGHT

Books purchased with the proceeds from the last library book chat will be displayed tonight at the library, when another of the book review series is held at 8:15 o'clock. Miss Mabel Doty, librarian, announced.

Reviews tonight will be furnished by Mrs. George Birnie, Miss Florence Day, A. L. Gralapp and Alfred Meyers.

WOMEN NEEDED IN THE MEDICAL WORLD SAYS M. D.

BALTIMORE, Md. (AP) — More women are needed in the practice of medicine, Dr. Joseph Colt Bloodgood, eminent cancer specialist, told the student body of Goucher college here.

"Woman was once considered an inferior, but now that we've educated her she may prove a superior being," Dr. Bloodgood said.

"I feel confident that we need, in all the civilized countries, a larger number of women fundamentally trained in the medical sciences, not only as practitioners of medicine in the specialties and general practices, but in laboratory positions, research work, and in the public health."

Women, Dr. Bloodgood said, have a maternal instinct that naturally makes them better fitted for preventive medicine.

"My experience teaches me that women are taking to preventive medicine more quickly than men. The greatest protection against disease today is the continuous care of the medical and dental profession, and we need more of the best trained women physicians to take their place in this preventive effort."

Discussing the dangers of cancer, Dr. Bloodgood said only ten per cent of mothers have adequate protection because of lack of examination and general knowledge.

"The women," he said, "ultimately should have a great deal to do with prevention of cancer in women, and establishing preventive measures from the pre-natal stage."

"If we educate mothers to put themselves under the continuous care of the medical and dental profession, and to educate the medical and dental profession to meet these demands, after, if any, women will die of cancer of the cervix, of the breast, of the mouth or of the skin."

"No beautiful woman has cancer of the skin because she pays immediate attention to every skin blemish," Dr. Bloodgood said.

Teacher, Pupil Look Alike To Kentucky Pug

SEATTLE, Mar. 7 (AP) — Teacher and pupil look all the same to Cecil Payne, Leavenworth, Ky., light heavyweight boxer, who won a double knockout decision over Al Lewis, Seattle negro in an eight round boxing fracas here last night.

When Payne first came to Seattle about a month ago he gave Henry Woods, Yakima negro, a bad beating, smashing him to the canvas several times. Lewis then took Woods in hand and taught him some new tricks so he might have a chance in a rematch, but the result was the same.

Lewis, the teacher, then challenged Payne, and he joined Woods on the floor. He bounced twice in the last two rounds, the first time from a left to the chin, and the second from a right to the jaw. Payne sealed 13th and Lewis 13th.

The slugging Kentucky kummet now looks Seattle so well he has moved his family here.

With only three professional fights under his belt, Frank Wallulis, Brooklyn heavyweight and former Washington State college grid player, has chalked up a record of stonking away two opponents in less than two minutes. A week ago he knocked out Del Wolfe, Bellingham, in 33 seconds, and last night scored a technical knockout over Cowboy McCrory, Butte, in 1 minute 7 seconds, knocking the Montana down twice. He won the decision in his first bout.

It is estimated that in one year American motorists travel 190,000,000 miles by highway.

"I WAS DUMFOUNDED..." when I found how cheaply I could make the trip by train. Can't afford to drive my own car now."

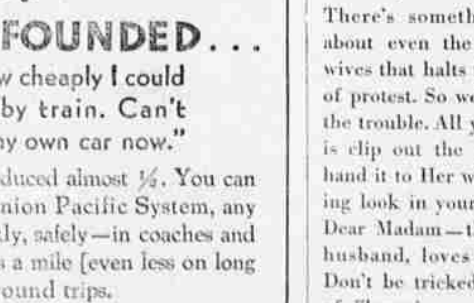

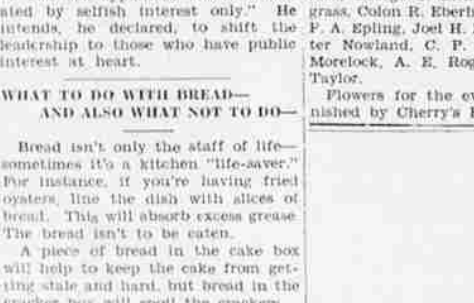

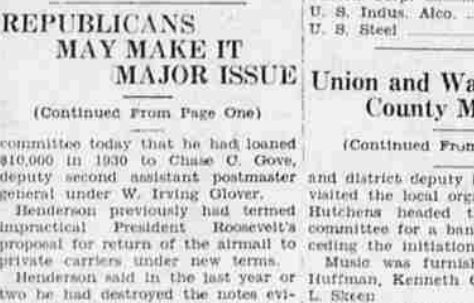

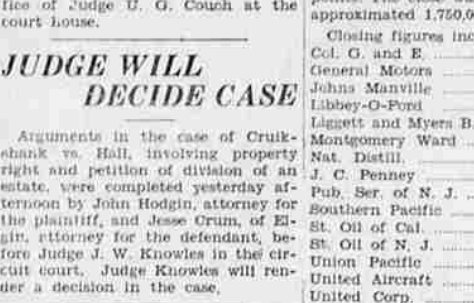

Rail fares are down—reduced almost 1/2. You can travel anywhere on the Union Pacific System, any time—comfortably, quickly, safely—in coaches and chair cars for only 2 cents a mile [even less on long trips]. And, 10% off on round trips.

Also, big cuts in cost of sleeping car travel.

Ask your Union Pacific Agent for full particulars, today.

LOCAL BRIEFS

Eagles to Meet—The regular routine business will be transacted tonight when the Eagles meet at 7:30 o'clock at the Eagles hall, it was announced this morning.

Returns Home—Mrs. J. G. Snodgrass has returned to her home in Portland after visiting here with Mr. Snodgrass. She is a former resident.

Returns—Dr. C. I. Gilstrap has returned from Spokane, Wash., where he attended the American College of Surgeons' medical meeting.

COURT STILL BUSY ON BILLS

The county court allowed February bills this morning and expected to arrive at the docket this afternoon. The members are holding their monthly session this week in the office of Judge U. G. Couch at the court house.

JUDGE WILL DECIDE CASE

Arguments in the case of Crui-shank vs. Hill, involving property right and partition of division of an estate, were completed yesterday afternoon by John Hodgkin, attorney for the plaintiff, and Jesse Crum, of Elgin, attorney for the defendant, before Judge J. W. Knowles in the circuit court. Judge Knowles will render a decision in the case.

REPUBLICANS MAY MAKE IT MAJOR ISSUE

(Continued From Page One)

committee today that he had loaned \$10,000 in 1930 to Chase C. Gove, deputy second assistant postmaster general under W. Irving Glover.

Henderson previously had termed impractical President Roosevelt's proposal for return of the air mail to private carriers under new terms.

Henderson said in the last year or two he had destroyed the notes evidencing the loans totalling \$10,000.

Gove, he said, was a close personal friend of long standing.

"He told me he had been gambling in the stock market, with all the money he had in the world," Henderson explained.

Mahoney To Enter Democratic Race

(Continued From Page One)

The young Klamath Falls mayor stands in opposition, too, to the Democratic party being in the hands of "a few self-appointed leaders actuated by selfish interest only." He intends, he declared, to shift the leadership to those who have public interest at heart.

WHAT TO DO WITH BREAD—AND ALSO WHAT NOT TO DO—

Bread isn't only the staff of life—sometimes it's a kitchen "life-saver." For instance, if you're having fried oysters, line the dish with slices of bread. This will absorb excess grease. The bread isn't to be eaten.

A piece of bread in the cake box will help to keep the cake from getting stale and hard, but bread in the cracker box will spoil the crackers.

Spring Lambs From Enterprise Sell at \$9.10

PORTLAND, Ore., Mar. 8 (AP)—Spring lambs from Enterprise, in Wallowa county, sold at \$9.10 at the stockyards here today, adding another high record to those already held by Johnson & Franklin, feeders of that region. Two double decks of about 80 pounds each comprised the shipment.

STOCKS IN RALLY; CLOSING IS FIRM

NEW YORK, Mar. 8 (AP) — Stocks rallied late today following word from Washington that Senator Fletcher had indicated his willingness to accept several amendments to his bill for the regulation of security exchanges. Early moderate declines were replaced by gains of 1 to 2 or more points. The close was firm. Transfers approximated 1,750,000.

Closing figures included:

Give him a break

There's something uneasy about even the very best of wives that halts those speeches of protest. So we've saved you the trouble. All you have to do is clip out the following and hand it to Her with that pleading look in your faithful eyes: Dear Madam—that man, your husband, loves good coffee. Don't be tricked by the wiles of "bargain counter" coffees. Hills Bros. Coffee may cost a few cents more. Its richer flavor and strength make more satisfying cups. When you compare

its actual cup for cup cost, you'll find it is more economical. Hills Bros. Coffee tastes so much better, too. Why not give your husband a real break? Please him at your next meal with fragrant, steaming Hills Bros. Coffee!
