LA GRANDE CLUB WINS 2, LOSES 1 IN SUNDAY SHOOT

With weather conditions ideal, the La Grande Gun club posted a 74 score in yesterday's competition in the Oregonian and Idaho Statesman telegraphic trapshoots. Competing at the Lone Tree grounds, Nate Zweifel and Sheriff Jess Breshears each shot perfect 25s, and A. J. Gower broke 24 of 25 clay pigeons.

La Grande's 74 was good enough to win two out of three scheduled matches, and also tied with Pullman's 74, a carryover match from the first week when the two clubs tied at 73. Presumably, the two-week tie will be shot off next Sunday.

As it now stands, La Grande has won two, lost three and tied one, for a percentage of .400.

Portland's Gun club turned in a 72 and St. Johns shot 70 yesterday to lose to La Grande, while Medford's perfect 75 scored a win.

Others who turned in leading scores yesterday included: John Garity, 24; Tracy Hollister and J. B. Smith, 23; and Charles Smith and Dr. Frank Eames, 22.

Reports have not been received on the Statesman's shoot.

The first skeet shoot of the season was held Sunday, also, with Aug. J. Stange scoring high with 17. L. K. Kinzel, Ken Siegrist and A. J. Garwood each scored 15, Dr. C. L. Gilstrap got a 14 and Nate Zweifel a 13.

The club this week is making plans for its annual clam feed, to be held the evening of Friday Mar. 16.

TIGERS TRIM BAKER; TAKE 1934 TITLE

(Continued from Page One)

won a ticket to Salem to compete in the state tournament Mar. 21-24.

In the finals the Tigers turned in a heady game against a fighting Baker five, turning back the Bulldogs 31 to 19. In the afternoon semi-final contest, La Grande won from Cove, the surprise team of the tournament, 38 to 19.

Cove, however, won third place in the tournament—the finest showing this team ever has made, by defeating Haines 26 to 24 in a thrilling consolation final Saturday night. In the afternoon Haines challenged Baker for the right to play in the championship finals, but was nosed out 18 to 17.

In tournament play, La Grande scored 184 points against opponents 73, in defeating Nyssa, Haines, Imbler, Cove and Baker. Baker made the best showing against the Tigers with eight field goals and Imbler the worst with two. Opponents scored 27 field goals against the Tigers in the five games, an average of 5 2-5 per game.

Stitt, Tiger forward, was the outstanding player in the tournament, scoring a total of 54 points to put him at the top. B. DeBorde, Cove forward, was next highest with 41, and DeBoie, La Grande guard, was third with 40, Southard, Baker forward, and Kirkland, Haines center, each scored 38, and Ballantyne, Baker forward, punched in 37.

The all-star selections, made by the eight coaches of the competing teams, was announced after the final game by Emil Piluso, referee, who was given a cheer by the crowd for the fine way in which he handled the games. Lou Bideler, of Union, presented the championship trophy to Captain Webb, of La Grande, and the runner-up cup to Captain Ballantyne, of Baker. Roy Conklin, Union superintendent, managed the tournament.

In the Saturday afternoon games La Grande had little difficulty in disposing of Cove 38 to 19, although the valley team put up a spirited first half battle.

Throughout the tournament the sportsmanship by both teams and fans was of the highest order, and many believe it was the most successful tournament in years.

HUSKIES DEFEAT U. S. C. IN SECOND CAGE GAME 43-41

By Paul Zimmerman

(Associated Press Sports Writer)

LOS ANGELES, Mar. 12 (AP) — Two of the most evenly matched basketball quintets ever to battle for the Pacific coast conference title—Washington and Southern California — will meet tonight in the third and deciding game of the 1934 championship series.

Staging a gallant finish Saturday night after it seemed their best efforts were in vain the Huskies, northern division representatives, defeated Southern California 43 to 41 in a wild, rough over-time contest, the Trojans had taken the first contest 27 to 25 Friday night.

The opposing teams faced conflicting problems in the final tussle. Coach Clarence (Hec) Edmundsen's five quite definitely must stop Lee Guttero, rangy Trojan center, who chalked up 36 points in the first two struggles. He scored 19 points Saturday night.

Coach Sam Barry's tossers had a problem of speed to solve, for the Huskies rushed the Trojans off their feet in wild scoring spurts in both games, after it appeared that Southern California was certain to win.

The clever floor work of Capt. Hal Lee, a guard, and Bob Galer, forward, had much to do with this as they dribbled and passed through and around Troy's defense time after time. Galer, leading scorer of the northwest, scored 13 after being held to two thin points the first night.

Washington, after starting out with a zone defense, switched to a man-for-man defense in the second contest with such marked success that it was considered probable they would continue with this style of play in the deciding game.

Purchaser Has Right to Know What He Buys

WASHINGTON (AP)—The purchaser of American-made liquor now has the legal right to know exactly what he is getting.

Label regulations which are now effective divide whisky into four classes:

1. Straight whisky; the product of the same distillery in the same distilling season.

2. Blended whisky; a mixture of straight whiskies or of ethyl alcohol and at least 20 per cent straight whisky by volume.

3. Spirit whisky; a mixture of neutral spirits (ethyl alcohol) and at least five but less than 20 per cent straight whisky.

4. Imitation whisky; any distilled spirit flavored and colored to imitate whisky.

Labels must show the age of straight whisky and the age of the youngest whisky used in spirit and blended whisky. The maximum percentage of neutral spirits must be stated.

Gin is either "distilled" or "compounded" but cannot be labeled double or triple distilled.

DUCKS DROP TILT TO PIRATES 5-2

VENTURA, Mar. 12 (AP)—The Portland rookies handed Manager Walter McCredie a 10-2 victory over the Ventura merchants during the weekend while the regulars were traveling to Paso Robles to take a 5-2 licking from the Pittsburgh Pirates.

Houtchens, 19-year-old pitcher, allowed six hits in seven innings and Crampton, Hillsdale, Mich., hurler, pitched two innings, allowing one hit. Jim Nagle, who played with Piedmont last season, collected four hits in five trips to the plate, one a triple.

EARTH SHOCK STRIKES UTAH, IDAHO TODAY

of Utah, on the bench at the foot of the Wasatch mountains, east of this city, is not in use, but Frederick J. Pack, head professor of geology there, said the shocks were felt distinctly.

At Logan, in Northern Utah, the shock was declared to have been the heaviest ever felt there. At Pocatello, Idaho, a resident reported a window in his house broken.

The shocks also were felt at Blackfoot and Idaho Falls, Idaho, and at Boise. Reports from Rock Springs, Wyo., to the east, and Provo, Utah, to the south, said the shocks were felt there.

Earth shocks were felt here in January, 1931, and in November and December, 1932, but no damage was done.

LOGAN, Utah, Mar. 12 (AP) — The earthquake which rumbled through Northern Utah and Southern Idaho shortly after 8 a. m., today split the walls of the home economics building at the Utah State Agricultural college here and officials of the school said the structure will be abandoned.

"That's what I call a million dollar ride!"

"YOU know I thought maybe they were being a little over-enthusiastic when I first read about these new skyway style Studebakers.

"But now that I've had a ride in one, I give you my word they're even better than the advertisements claim.

"You may not think it possible, but six of us rode in that new Studebaker sedan . . . with loads of room for everyone.

"Why, it was just like sitting in a lounge at home. And we went over some of the roughest roads I ever saw—at better than sixty—without jostling one another or jouncing up and down or pitching forward the way you usually do in the best of cars.

"Take it from me, anyone who buys a new car this year without trying a Studebaker first is making a big mistake. Even the prices are a surprise. They start as low as $645!"
