Boy Scouts To Hold Court Of Honor Mar. 30

Boy Scouts who passed the board of review last Monday evening will receive their badges at a court of honor at the High school March 30, it is announced. The court of honor will be held in conjunction with a "Be Prepared Rally," consisting of events taken out of the first three ranks of scouting.

The boys will not know until they are on the floor the event in which they are to participate, and Elmo Stevenson points out that the rally will accentuate, therefore, the importance of the Boy Scouts slogan, "Be Prepared."

Members of the Boy Scout leadership class will conduct the rally, while M. W. Fries will be in charge of the court of honor.

NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition with Kellogg's ALL-BRAN

The first question your doctor asks is whether you are constipated or not. He knows that this condition may cause headaches, loss of appetite and energy, sleeplessness. It is often the starting point of serious illness.

You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the intestinal wastes.

Isn't this "cereal way" safer and far more pleasant than taking patent medicines — so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal in chronic cases. If seriously ill, see your doctor — ALL-BRAN is not a "cure-all."

Enjoy ALL-BRAN as a cereal, or use in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

AT THE LIBERTY

Advance guard of the hundred dazzling chorines who dance on airplanes in the spectacular climax of "Flying Down to Rio," RKO-Radio's romantic musical extravaganza with Dolores Del Rio, Gene Raymond, Raul Roulien, Fred Astaire and Ginger Rogers.

Spectacular dancing, not only in formation but in the convolutions of its routine, has been staged for the intriguing big sequences of the musical extravaganza "Flying Down to Rio," which comes to the talking picture screen as the climax of Hollywood's efforts to present the art of Terpsichore in the grand mood. It opens a three-day run at the Liberty today.

Clamorous dances from exotic South America, set to song and music by Vincent Youmans, provide the principal features of the musical romance. The denouement shows a hundred girls in a ballet stop the wings of soaring airplanes over Rio de Janeiro. The ballroom numbers comprise the "Orchids in the Moonlight" tango, and the "Carioca," native Brazilian dance, performed with savage, enthralling abandon. The "Carioca" sequence in "Flying Down to Rio," RKO-Radio Picture, is said to be the most colorful thing of the kind ever exhibited on the screen. Dolores Del Rio, Gene Raymond, Raul Roulien, Fred Astaire and Ginger Rogers are the stars of this performance.

Lipton's Tea Has Special One-Cent Offer at Grocers

Local grocers are featuring today a Lipton Tea deal in which the customer buys one half-pound package of Lipton's Green Label Japan Tea for 37c a package and by paying but one cent more receives another half-pound package, getting the two for 38c. This unusual deal is offered at this time by Lipton through local grocers in order to prove to the public, say the makers, the unusual taste, flavor and economy of Lipton's product.

Under a heading of "Introducing 1c Sale" a large display advertisement concerning the offer is found elsewhere in today's Observer as well as announcements concerning same in the advertisements of local grocers.

Price fixing under the NRA lumber code had a precedent during the World War when the government established maximum prices for lumber.

100 More Books Are Added to Library

(Continued From Page One)

Recent book drive, a community activity. The books that cannot be used by the library, either because they are worn or unsuitable for the shelves, will be sent to C. C. C. camps or some other agency.

Twelve volumes that previously had disappeared from the library shelves were retrieved, and it is believed that others will be returned to the library, with the drive leading impetus to the movement.

"Others having books they have finished are urged to give them to the library since a special need is felt at present. The allowance for new books has been cut, while the demand has increased considerably," Miss Mabel Doty, librarian, announces.
