BILL PASSED OVER VETO OF F. R. AIDS MANY

(Continued From Page One) dilations placing both classes back on the rolls pending review of their cases, but holding to his former view that only those who were injured or crippled disease as a result of actual war service should be aided by the government. These regulations, however, are now superseded by the law.

Sir Herbert Favors League Plebiscite

(Continued From Page One) or attack, are said by Sir Herbert to be the best assurance for peace in Western Europe. There are seven treaties and they have never been repudiated even by Hitler, he pointed out. However, all of the treaties were dependent upon Germany coming into the league and she was admitted on Oct. 10, 1921, to remain in a position of amity until Hitler withdrew.

her seven hours of furious debate, did not cause quite the surprise engendered when the overwhelmingly Democratic House defeated the veto.

LOCAL BRIEFS
