

### DOG TRAINING IN COUNTY FIELDS IS GAME VIOLATION

Dog training in Union county fields is drawing much attention from the state police at this season because of so many nests being abandoned permanently by pheasants and other game birds frightened away by the dogs.

The state law provides that it is unlawful at any time during closed seasons to molest, pursue or in any other way bother game birds, and the state police expect to enforce this ruling. Co-operation of all interested in game conservation is being asked, also.

THESE women escaped failure by using flour that's "Home-Perfected." Before it reaches you, Drifted Snow has been proved by Sperry's 117 "Home-Perfected" working in their own kitchens in many cities and towns. Using advance samples of flour, these housewives (not professional cooks) bake cakes, pies, cookies, etc. They must report freedom from all "variation" . . . perfect results under home conditions . . . before any flour is branded as Sperry's Drifted Snow.

**FREE SILVER . . .** Save valuable certificates packed in every sack of Drifted Snow flour and in every package of Sperry cereals. You'll soon collect a complete set of genuine Wm. Rogers & Son silverware in the handsome Friendship pattern.
