Spring Mode Brings Back The "Slit" Skirts

By Adelaide Kerr
PARIS (AP)—Slit skirts, slashed with the deepest cuts seen since the first slit skirt startled the style world before the war, are here with the springtime mode.

Patou has launched slim, sinuous evening frocks slit in front to a point sometimes above the knee or slashed up the back of a pronged train. The gowns, designed of white, sapphire blue, almond green and nasturtium orange crepe or satin are generally fashioned with high front and fairly low back décolletés which often widen to cover the shoulder.

Come With Coates
Most of them are designed with a little coatee or cape which may be tossed easily over the shoulders "to keep women from shivering while they wait for their cars." Sometimes the coatees match; again, they contrast with the color of the frock. Sun-ray pleated yellow chiffon capes and shell pink moire coatees go with black frocks, while sapphire blue gowns are accompanied by wraps of the same shade.

Daytime frocks put their slits above the waist, many of them being slashed in the back or front of the bodice and faced with a contrasting color. Most of them are designed of black crepe or black satin lightened with touches of pale green, shell pink or dead white. One black crepe trimmed with white neck touches is slit up the back of the waist to reveal a white crepe inset.

Two-Toned Frocks
Summertime frocks to wear in town show many two-toned or tri-colored effects. Most of them are fashioned of dark crepes, microscopic prints or plaids, and are worn with a little cape or sleeveless jacket of the same fabric.

One smart silk of black, white and red shadow plaid is topped by a little waist-length cape, while a navy blue crepe worn with a sleeveless jacket of the same fabric has a big white butterfly jabot splashed with blue dots the size of a quarter.

Three colors blend in another striking costume. It is a simple black crepe summer suit with a black and white striped taffeta vest touched with emerald green at the neckline and worn with an emerald green straw sailor tilted over one eye.

FIVE NO-HITERS ONLY
PART OF BILL'S RECORD
BINGHAMTON, N. Y. (AP)—There must be some star-dust sprinkled on William Sahlin's shoulders. The 19-year-old rookie southpaw hurler comes to the local team of the New York-Pennsylvania league with these feats behind him:

Pitched five no-hit games in 1933, three in high school and two in independent ball; fanned 26 out of 27 batters in one game and delivered the base hit that won that game. He comes from New Rochelle, N. Y.

New Orleans is not at the mouth of the Mississippi river but nearly 100 miles upstream.

La Grande Couple In Sat. Ceremony

At the home of J. W. Dowell, Saturday afternoon, Rev. J. George Walz of the Presbyterian church performed the marriage service which united as husband and wife, Glen V. Dowell and Orne Does, both of La Grande. Mr. Dowell is employed by the highway commission, and Mr. and Mrs. Dowell will continue their residence in La Grande. Parents of both bride and groom, brothers and sisters with their families were present to witness the service and wish the newly weds a happy life.

Mrs. Cole To Be Kilkare Hostess

The Kilkare Klub will meet Friday evening at 7:30 o'clock at the home of Mrs. Martha Cole, 2005 Second street.

Contract Club Meets Monday Eve

Mrs. Lee Bouvy, Mrs. H. N. Ashby, Mrs. Walter Leisman and Mrs. A. W. Nelson entertained the members of their contract group with dinner and bridge last evening at the home of Dr. and Mrs. Bouvy. The club which consists of ladies to form two tables has an evening of contract once a month when the men are also invited. There were four tables last evening for the game.

Observe Tenth Anniversary

Mr. and Mrs. L. K. Kinzel entertained a small group of friends at dinner and bridge last evening at their home 1804 Fourth street observing their tenth wedding anniversary. There were four tables for cards, Mr. and Mrs. Charles H. Reynolds making the high score and Mrs. A. K. Parker, the low.

LEAF GREEN CAPE A SPRINGTIME NOTE

PARIS (AP)—A sheer tulle cape of young leaf green adds a springtime note to an evening costume which Daniele Parola, the French screen star, wears this season. It goes with a Molyneux gown of pale pink satin finished with a cluster of deep pink hollyhocks at the waist.

40 AT DINNER IN HONOR OF J. B. BROWN

(Continued From Page One)

activity. Mr. Brown responded quite happily, speaking of the pleasure he had when in the service and the pleasure now in his recalling those days of pleasant associations here.

Senator Henry Hess was the second speaker introduced. He spoke along the line of the benefits to be derived through organized labor, calling attention to the fact that those present should appreciate it, that after a period of service, they receive the pension grant. He remarked that he was proud to have been one of those who successfully put the law granting old-age pensions on the statute books.

Mrs. Humphreys gave a short eulogy for Mrs. Curtiss and presented her with a jewel in honor of the 40 years of membership in the G. I. A. and the 26 years in the local organization. Mrs. Curtiss responded with a brief but very happy speech of appreciation.

A ladies quartet—Mrs. Hatt, Mrs. Bradshaw, Mrs. Mills and Mrs. Barclay—sang the choruses of a number of old-time songs as a special favor for Mrs. Curtiss whose appreciation was quite marked. Miss Cooper appeared again in violin numbers. Mr. Humphreys talked of the Brotherhood since its organization in 1887. He cited the great similarity of the minutes then and now. One surprise feature of the evening was at the close of Mr. Humphreys' remarks when he presented Fred Johnson with a past chief's jewel in recognition of a long period of service. Mr. Johnson was greatly surprised and greatly pleased, expressing his sincere thanks to the brotherhood for the gift.

Plans Completed For P. T. A. Health Round-Up

(Continued From Page One)

This Summer Round-Up is a national project of the P. T. A. groups and is the major health project of the National Congress. It is announced. It includes the examination of all children who will enter school for the first time in the fall, recommendations for correction of all remedial physical defects during the summer and a check-up in the fall to determine the condition of the children. As a result of this project, more children are entering school every year as free as possible from defects and protected against disease. All parents who have children of pre-school age are being urged to bring them to the round-up for the examination in order that they may
