Holeproof Hosiery

is the product of one of America's leading hosiery mills — manufacturers who are drastic in their inspection of every pair of hose passing through their hands. They demand perfection — in every respect, style, color, weave and quality. Any that do not measure up to their high standard are immediately segregated and classed as "irregular" — no matter how slight the imperfection might be, and all such hose are sacrificed at an extraordinary price reduction!

NOW! You can buy Holeproof Hose, slightly irregular, at a remarkable saving — yes, good, stylish, serviceable hose, for there are no holes, no runs, no mends — you'll have to examine them closely to detect any defects!
