Eleven fatal and 18 non-fatal accidents resulted from rabbit hunting in California within a year, a report of the state game commission shows.

LEGION MEETING WEDNESDAY TO BE IMPORTANT

At the regular meeting of the American Legion to be held tomorrow evening at the Eucajawa Inn, the main item of business will be the making of plans and a program for the Memorial day services. The past commander's night will also be announced.

The local post of the legion has been asked to assist the Union post in presenting a show on Friday and Saturday, May 18 and 19 and the plans will be made during this meeting for a dance at Goodbrod hall to be sponsored by the La Grande post on Saturday, May 19 following the show.

Other business will include the discussion of a request to be made by the post for a naval base for Oregon at the mouth of the Columbia River in Clatsop county and the discussion of the possibility of entering a bathing beauty in the state convention this year.

All ex-service men are particularly urged to attend the meetings, according to Commander Fred B. Read, who will preside over the session Wednesday evening.
