"Among the dishes which we will demonstrate from the stage will be bacon and cream cheese pinwheels, which provide an unusual hors d'oeuvre. We're also going to show the 'Kitcheneers' how to make a most delightful Porto Rican pot roast. It can be delightfully served with rice or with German potato pancakes. All of the dishes to be demonstrated tomorrow are of the type everyone enjoys."

"Complete meal planning will take up a good portion of the last program," advised Mrs. Spencer. "This feature will involve the homemakers' bureau ideas for original and tempting breakfasts, luncheons, formal and informal dinner—in fact every type of meal that would be of interest to homemakers."

"We plan to make our last session a sparkling climax of the La Grande 'Kitcheneering' course," said Mrs. Spencer. "Its completion will mark the actual demonstration from the stage of more than 35 dishes which include every possible feature of the homemaker's menu."

"From the comments we have received from homemakers attending our first two days of 'Kitcheneering,' our course this year is one of the finest we have ever presented. For
