AT THE LIBERTY

Frank Buck, the wild animal collector who created a sensation with the thrills he provided in "Bring 'Em Back Alive," returns to the screen in "Wild Cargo," at the Liberty today, an RKO-Radio picture produced by the Van Beuren corporation.

"Wild Cargo" logs Buck's adventures in the Asiatic wilds where he recently was engaged for six months trapping rare and wild animals. Chock-full of the perils which accompanied his work, "Wild Cargo" depicts how Buck faced death on two occasions and came near never seeing himself on the screen. A death-dealing python wound its constricting coils around his left arm; and a king cobra cornered him unarmed among pecking cases.

MEN'S CLUB IN MEET THURSDAY

The Presbyterian Men's club held its final meeting for the year Thursday evening at the home of Mr. and Mrs. T. H. Gattner, 2004 Oak street. Elmo Stevenson gave a talk on "Boy Scouting," while Harvey Carter gave something of the history of scouting in this community. Lee Reynolds, Dan Biggs and Don Miller gave talks and demonstrations on the three types of scouts.

During the business meeting officers for next year were elected as follows: president, L. A. Kennedy; vice president, John W. Bennett and secretary-treasurer, M. E. Huffman. The next meeting will be held in September.

Mrs. Gattner assisted by Mrs. J. H. Cummins served refreshments at the close of the meeting proper.

If you climbed the HIGHEST MOUNTAIN

U. S. Tire Tread utilizes the cogwheel principle of traction—as used in the famous Pike's Peak climb.

—by rail, that is, you'd go up the special railroad that mounts Pike's Peak. This unique railway climbs the steep slopes by the surest principle of traction known—by the cogwheel method... U. S. Tires feature this very same principle for the very same purpose—to provide you with positive traction under the most adverse conditions.

You'll need no technical knowledge to appreciate the advantage of this principle—a mere glance at the U. S. Cogwheel Tread will convince you of its road-gripping qualities.

What a glance does not disclose, however, is that this tread is made of *Tempered Rubber*, the toughest, slowest wearing tire-rubber ever developed—and underneath it is the extra strength of U. S. Safety Bonded cord body, the greatest security against blowouts known.

Super-quality needn't mean extra cost—look at these prices!

U. S. Royal 5.50x17 H. D.	\$13.45
U. S. Royal 5.25x18 H. D.	\$12.90
U. S. Royal 5.25x17 H. D.	\$12.50
