AT THE LIBERTY

The last word in modern European architecture and interior decoration is to be seen in the elaborate settings created for "Riptide," Norma Shearer's new Metro-Goldwyn-Mayer starring vehicle, which opens Sunday at the Liberty theatre.

With the glamorous story motivated by a triangular Continental romance, the settings include aristocratic English homes, gay Riviera cafes and hotels, swimming pool parties, the famous Cannes beach resort, steamship salons and a St. Mortiz inn.

A very small number of absent voters were cast—about 30 in all—according to County Clerk C. K. McCormick who received the last of the ballots today, this being the final day for them to be turned in. The ballots from the farthest distance, were, of course, those from Congressman and Mrs. Walter M. Pierce at Washington, D. C., both of which have been received.

With these absent votes the ballot boxes for the various precincts in Union county are being prepared, and will be turned over to the sheriff on Monday when he will begin distributing them to the judges of the precincts early next week.

CONVENIENCE

Many people refer to us as a "family bank" and we like the name because it fits. Women, for instance, aren't just casual customers here; they drop in regularly. Children, too, are not an unusual sight in this bank.

And with us "convenience" means more than just a handy location. It's a pretty good way to describe the service and facilities of a modern, well-equipped bank where your needs are served with courtesy promptness and dispatch.
