Miss Bethel Fleshman Announces Engagement and Marriage in June To Mr. Melvin Courtney, of Wallowa

The engagement of Miss Bethel Fleshman, of near La Grande, to Melvin Courtney, of Wallowa, and their marriage an event of early June, was very cleverly announced last evening at a meeting of the Young Woman's Missionary circle of the First Christian church, held at Miss Fleshman's home. Miss Fleshman is quite well known in this locality. Following her graduation from the Eastern Oregon Normal school, she taught for a time in a rural school near Wallowa, and this present year has had the Willowdale school, her home school.

There were 16 members present for the missionary meeting, with Miss Dorothy Smutz, president, having charge of the business meeting. Plans were made for a benefit tea to be held in June, with necessary committees being appointed. The devotionals were led by Miss Dorothy Higgins and the program consisted of a piano duet "Hungarian Dance" by Theima and Wauna Strain, a discussion of the topic "Justice and Fair Play" led by Miss Doris French with talks by Gertrude Wagner and Lucinda Bishop.

Miss Smutz had charge of the games of the evening and it was in the course of this part of the party that the engagement was announced. It came as a distinct but very happy surprise to Miss Fleshman's friends.

Refreshments served by the hostesses assisted by her mother, Mrs. O. C. Fleshman.

Mrs. Will Mitchell Is Club Hostess

Members of the L. D. club were entertained Friday afternoon by Mrs. Will Mitchell at her Island City home, which was very attractive with its decorations of garden flowers. There were three tables for bridge, Mrs. Lon Ayars making the high score and receiving first prize. Mrs. Mitchell's lunch was served in one course, following the games. Mrs. Ayars was the only club guest during the afternoon.

Miss Conley's Room Will Get Picture

The pupils in Miss Effie Sluder's room at the Central schools were awarded the attendance prize for the month, according to an announcement made at the last meeting of the Central Parent Teacher association of that school. Miss Vina Conley's room will receive the high prize for having the highest percentage of attendance for the entire year. The picture which is given the room making this record will be presented at the first meeting next fall and will remain in the permanent possession of Miss Conley's room.

The High School Christian Endeavor group of the First Christian church enjoyed a picnic party at Cove Thursday night, some 35 or 40 young people forming the crowd which drove to the popular resort. A picnic supper was served and a dip in the pool was enjoyed, together with other features which make up a real picnic. Miss Dorothy Higgins and Mrs. Harrison chaperoned the crowd.

NOON STATES MILLIONAIRE STILL ALIVE

CLARKSVILLE, Tenn., May 12 (AP)—A widespread police search was made today for 10-year-old Percy Lamar Armstrong, grandson of the late Gov. Austin Peay. The youngster was taken from school yesterday by a man who greeted him with an embrace, then drove away with him and a second man in a green sedan. The child's mother's family believed one of the men was his father. The latter, P. L. Armstrong, and Mrs. Amaryllis Peay Armstrong were divorced several years ago.

Tigers Defeat Cove High Friday 14 to 5

(Continued From Page One)

In spite of the loss, Cove turned in the most brilliant play of the day, a triple play in the first inning—B. DeBorde to D. DeBorde to Richards. The play came with two Tigers on base and two runs in. Leonard popped one up and the pitcher took it, firing it so third to catch Arnold of base and D. DeBorde whipped the ball to Richards at first to nab Walden in a close attempt to gain safety.

Although both teams were a bit ragged defensively, errors were pretty well scattered half of the runs scored were of the earned variety.

LA GRANDE started off with two scores in the first but Cove evened the count in their half of the second. The Tigers brought in one man but Cove forged ahead on a three-run rally in the third, but it was a short-lived lead. The blue and white tied it in the last half of the third and then went on a scoring spree from then on, piling up 10 runs in the fourth, fifth and sixth. In the sixth ten men faced the Cove hurler.

Next Tuesday Elgin High comes here in the final game of the county league season for the Tigers.

At Imbler yesterday Keith McKinnis, of Imbler, and Ray Knezevich, of Elgin, tangled in a pitching duel that was a hummer. McKinnis whiffed 12 and allowed two hits and Knezevich fanned 16 but allowed four hits. The score was 3 to 6 in favor of Imbler, and won the county championship for Jimmy King's team.

Imbler will conclude its season next Wednesday against Cove, and is negotiating for games with Walla Walla High.

Imbler scored one in the fourth on three errors and H. Pratt's sacrifice fly, and another in the fifth on a wild pitch.

No runs so far this year has been able to get more than three hits off McKinnis' delivery.

PROTEST IRONED OUT AT MEETING AT BAKER FRIDAY

(Continued From Page One)

All phases of the protest by La Grande of alleged improper practices on the part of the Baker baseball club were settled definitely and amicably at a meeting between representatives of the two clubs, with league officials, at a meeting last night at the Baker hotel at Baker.

All three of the Baker players protested were given a clean bill of health by the league officials after a thorough investigation and discussion of their status and will be permitted to participate in tomorrow's game.

Officials of the Baker club agreed to provide adequate police protection and supervision at the playing field to keep the crowd from interfering with players while the game is in progress.

League officials appointed the following umpires to work the game, in which both Baker and La Grande representatives concurred: Barty Nelson, umpire in chief of Baker, Bill Workman, base umpire of La Grande.

The matter of eligibility of players was settled only after a thorough investigation of the evidence submitted by the La Grande delegation, and considerable discussion by all involved. A definite interpretation of the "residence" clause in the constitution and by-laws of the league was given by league officials for guidance in future instances. Several other matters of minor importance incident to tomorrow's game were discussed and formal agreement reached by both clubs.

D. W. Hall, C. A. Nichols, J. Lambert, T. R. Corum, and J. H. Martin formed the La Grande delegation, while H. G. Orestich, Ren Black, J. N. Palmer, H. H. Shinn and B. Nelson acted for Baker.

DUNNE IN CITY TODAY; APPEARS STRONG IN RACE

this part of the state and will undoubtedly receive much support in next Friday's primaries from a goodly number of Republican friends in this locality.

Dunne, as senator in the state legislature, is the father of the \$5 automobile license fee bill, finally passed and in effect for the first time this year. Predicted by antagonists as a measure that would destroy the security of the state's highway bonds, the \$5 license fee in its first year has resulted in an increase of 60,000 auto licenses on the state's rolls and highway bonds are not only at par but drawing a premium.

Senator Dunne is also responsible for the standardization of butter, recently in effect over the state, and a measure that is doing immeasurable good to the dairy industry.

"The recovery and regeneration of Oregon depends upon outside money," said Senator Dunne here today. "When this state gets itself in shape to attract outside capital to the many natural advantages which it has, just so quickly will we gain new industry and new development as well as help to our present industries. And as a result we shall progress in payrolls, employment and general happiness."

An interesting feature of the Dunne platform is the statement that "the state department of agriculture should be one of helpfulness and salesmanship to the farmer—not just a bureau of inspection."

Temple university, Philadelphia, recently celebrated its fiftieth anniversary.

Burly Cyril Tolley, by 6 and 5. The sixth and seventh victories for the Americans, in two days of play, settling the issue, were tallies by Captain Francis Ouimet of Boston and George T. Dunlap Jr., of New York, the amateur champion. Ouimet disposed of Leonard Crawford, 5 and 4, while Dunlap took the measure of Jack McLean in a sensational match, 4 and 3.

Johnny Pascher, slim Cincinnati star, made it five in a row for the Americans by overcoming Eric Fiddian, 5 and 4.
