

C. C. C. CAMP NINE TO PLAY LEAGUE TEAM SATURDAY

The La Grande town baseball team has scheduled a game with the Illini Emigrants, the Meacham CCC Camp No. 1836 team to be played at the high school athletic field Saturday afternoon May 19, starting at 3:30 o'clock.

The CCC team is composed of mostly Illinois boys, all of whom have gained considerable reputation in their respective home towns, for their ability as baseball players. Last Sunday the Illini Emigrants played at Pendleton, and walloped the crack Pendleton nine by a score of 9 to 5.

"We are expecting a tough battle," said D. W. Hall, manager of the La Grande team, today; "and we will give them one in return. I have been experimenting with infield combinations and finally have one which I expect to be permanent throughout the year. From now on we will concentrate on developing hitting ability."

Goodman Is Among Favorites to Win British Amateur Baseball Standings

PRESTWICK, Eng., May 17 (AP)—After a fine holiday in London the victorious American Walker cup team began gathering here today for the British amateur golf championship in which Johnny Goodman and Jack McLean, the Scot, are quoted at 8 to 1 favorites.

One of the biggest Scottish book-makers offered those odds in a newspaper advertisement and placed George T. Dunlap Jr., the American amateur titleholder, Jack Westland and Sam McKinlay, another British Walker cup player, all at 10 to 1.

BELIEVE IT OR NOT--PORTLAND WINS BALL GAME!

By The Associated Press
As the Pacific Coast league race tightened today, with every series knotted at one-all, the lead of Los Angeles over the second place San Francisco Missions was whittled down to four games. San Francisco was only half a game ahead of Hollywood in third place and Seattle was back in the cellar after losing to Sacramento while Portland broke its losing streak of eight straight games by defeating Oakland.

The Missions belated out 17 hits yesterday to defeat Los Angeles, 10 to 5, their answer to the 8 to 0 drubbing the Angels gave them Tuesday.

Jim Demaree pitched shut-out ball for Hollywood through eight innings as the Stars won from the Seals, 4 to 2.

The Sacramento Senators experienced little difficulty in defeating the Seattle Indians, 9 to 3.

After spotting Oakland to a three-run lead, the Beavers came from behind to win their first game in nine starts, 6 to 5. The Beavers scored their first run in the third inning when Jimmy Rego walked three batters in a row. Three hits and an error brought the Beavers three more runs in the fifth inning. The Oaks staged an eighth inning rally that fell short by one run of tying the score.

250 TO COMPETE IN STATE MEET

OREGON STATE COLLEGE, Corvallis, May 17 — Approximately 250 Oregon high school athletes will swing into action here Saturday in the eighth annual Oregon state high school track and field meet. Preliminaries will be run off Saturday morning at 10:00 o'clock. Finals will start at 2:00 o'clock in the afternoon.

By action of the state high school athletic association the state has been divided into eight districts which will compete for the team championship. Districts one to seven include schools outside of Portland while district eight represents only Portland schools. Under the new rules two entries are allowed in each event in districts numbers one to seven, while district number eight will be allowed four men in each event.

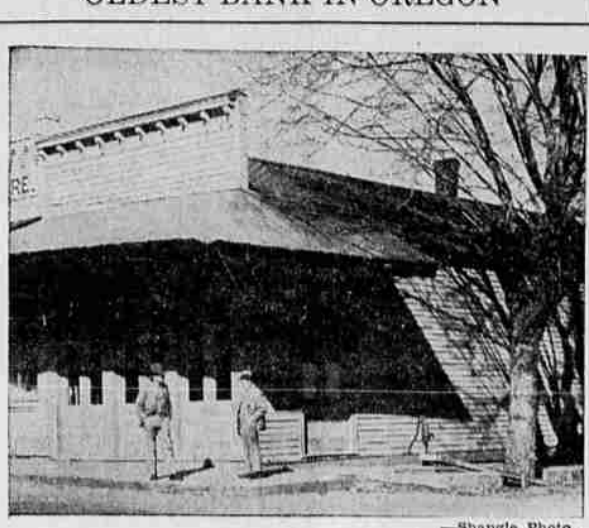

Since the renewal of the state meet in 1927 only two records have withstood the onslaught of the state's outstanding prep athletes. Vern Windigale, running for Washington high school of Portland in 1912, posted a mark of 1:56.8 in the half mile which has stood the challenge for more than two decades. The other mark also was made in 1912 when Paul Wilson of the same high school ran the mile in 4:29.

Events in the preliminaries Saturday morning are 100-yard dash, shot put, discus, javelin, broad jump, 120-yard high hurdles, 220-yard dash and 220-yard low hurdles. Starting times for the final events are 100-yard dash, pole vault, high jump, discus and shot put, all at 2:00 o'clock; mile run at 2:10; 220-yard dash at 2:25; high hurdles at 2:40; javelin at 2:45; 440-yard run and broad jump at 2:55; low hurdles at 3:15; 880-yard run at 3:20, and the half-mile relay at 3:30.

OLDEST BANK IN OREGON

MEDFORD, Ore.—(Special)—Established in 1853, the Beekman bank in Jacksonville, Ore., bears the reputation of being the oldest bank in Oregon and will be one of the attractions of Oregon's Diamond Jubilee celebration in Medford and Jacksonville, June 3 to 9, observing Oregon's 75th anniversary of statehood.

The interior of the bank is much the same as it was when gold dust from the nearby hills poured over the counters 70 years ago. A bench where customers used to wait is still the same, including the little tacks which had been placed in the wood to prevent whittlers from exercising their knives. Ancient signs continue to adorn the walls.

The bank will be open throughout the week and will be one of the numerous attractions of Jubilee week, the activities of which include Medford and Ashland in the presentation of parades, pageants and dozens of special attractions, filling up every hour of the seven-day observance.

East Americans, West Nationals Prove Strongest

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)
The theory that the eastern half of the American league and the western sector of the National are the stronger sides of the major league lines has been borne out by the first round of east-west play in the 1934 season but not without important exceptions.

The cold figures for the past two weeks of inter-sectional campaigning, with the east "at home" in the junior circuit and the west in the National are distinctly lopsided. The American league's eastern clubs recorded 25 victories to 16 for the invaders. The western teams of the National won 27 and lost only 18.

Despite their frequent defeats, however, Cleveland, Detroit, the St. Louis Browns and possibly the Chicago White Sox gave signs that they may be somewhat more troublesome when they start playing on their own fields tomorrow. Of the eight American league clubs only the league leading New York Yankees gained any big advantage in the first inter-sectional series. They took nine out of ten decisions and increased their margin over the second-place Cleveland Indians from 1 1/2 games to 4 1/2.

plants which depend upon the water transportation.

The mediators also face the problem of settling the demands of 6,000 to 7,000 seamen who were called out yesterday by officials of the sailors' union. In addition to supporting the longshoremen, the sailors seek a wage of \$75 a month in place of the present scale of between \$35 and \$60.

Union recognition is also demanded by the seamen and longshoremen, the latter in addition asking \$1 an hour and a 30-hour week as compared with the present 85 cents pay and 48-hour week.

How to make good coffee everytime

Only 3 things are necessary— (1) a drip coffee maker in which boiling water drips through (2) a specially prepared coffee and (3) a filter paper. That's all! And it never fails! Delicious every time! Always crystal clear! In a Drip Maker, the water drips through the coffee but one time, not many times as in a Percolator. At that one time, all the rich fragrant flavor is extracted from a coffee specially prepared to yield its flavor quickly. Any coffee prepared for the slow percolator process will not do. (Schilling DRIP Coffee is specially blended, roasted and ground—with filter papers enclosed.) A filter paper rests below the coffee to let through nothing but the delicious amber drops. Real drip coffee cannot be made otherwise. Try it! You'll join the millions who have turned to drip coffee.

Special You can now buy a Special model Drip Coffee Maker and 1 lb. of Schilling Drip Coffee for \$1.20 at your grocer's. If he cannot supply you, send his name and \$1.20 to A Schilling & Co., San Francisco. Moneyback in either case if not satisfied.
