

Streamlined food service

SAFEWAY STORES

FEATURES FOR
Fri. and Sat., May 18 & 19

The automobile people with their 1934 "Streamlined" cars aren't a second ahead of us... We've been "streamlining"... (modernizing)... in the grocery business for nineteen years! Since our inception have we developed and adopted the most advanced methods of merchandising — breaking away from old-fashioned, expensive retailing practices. And it will always be our policy to "streamline"... to

bring to you the finest foods direct from producer and manufacturer... to operate up-to-date, sanitary stores... provide interested, friendly service... and, to pass on to you in the form of money-saving prices, the savings effected by efficiency. Let us suggest: Streamline your Food Budget at Safeway.
