Vernon Hayes, of La Grande, Weds Miss Mary Rouse Sunday At The Rouse Home in Baker

Word has come here of a very lovely ceremony Sunday morning at Baker when Miss Mary Rouse, daughter of Mrs. Michel Rouse, of that city became the bride of Vernon Hayes of La Grande.

Proceeding the ceremony, which was read by Father Casey at ten o'clock, the Bach-Gounod "Ave Maria" was sung by Thomas Whited and Lohengrin's "Wedding March" played by Mrs. Thomas Whited.

Miss Rouse was lovely in a wedding gown of white satin with a long train. Her madonna veil was fastened with orange blossoms. She wore an antique golden cross hung on a fine chain and carried a large bridal bouquet of cut flowers.

Miss Christine McCullough was the bride's maid and little Ora May Whited the flower girl. The pages, who carried the train, were Patricia Whited and George Whited Hardy. Clyde Ramsey of La Grande acted as best man for the bridegroom.

Among the wedding guests, of whom there were sixty, were out-of-town guests from Washington, California and Portland.

After the ceremony Miss Marcelle McCullough sang Schubert's "Serenade." Moving pictures of the newly married couple were taken by Father Lee, after which a wedding breakfast was served in the French room of the Hotel Baker for the bride party of 42 guests. Room and table decorations of flowers and tapers followed a pink motif. The attractive bride's cake was cut by the bride and served to the guests.

Mr. and Mrs. Hayes have gone on a week's trip and on their return will establish their home here in La Grande. Mr. Hayes who is very well known locally is connected with the Safeway organization.

Chicago Methodists Score Professional Prohibitionist Bodies

PORTLAND, June 19 (AP)—Professional dry reformers are on the "black list" of Chicago Methodism. It was said here today by Bishop Ernest Lynn Waldorf, general superintendent of Methodist activities in that region. Bishop Waldorf reached Portland today to preside over the Oregon annual Methodist conference.

"We have decided in Chicago," he said, "that there must be a readjustment of the temperance situation."

"We studied conditions and found 38 organizations in the United States professing to be friends of the dry cause," Bishop Waldorf said. "Some of them were little, tiny organizations and walked down the street under the hat of the sponsor. Others promote temperance as a side issue. Methodist churches in the Chicago area have voted not to open their pulpits to anything like this number of organizations to appeal for funds to carry on their work."

The Oregon Methodist conference will open tonight. Methodists of Washington and Northern Idaho will hold their conference simultaneously in Vancouver, Wash., across the river from Portland, and the groups will hold joint sessions Friday afternoon and night.

FORD'S MILLIONS STUMP ASSESSORS

DETROIT, June 19 (AP)—The Wayne county board of tax review—admitting it is largely guessing—has valued Henry Ford's personal property at \$8,000,000 an increase of \$2,000,000 over the valuation fixed by the Dearborn city assessor.

Kenneth J. McCarren, Detroit city assessor and a member of the board, sought to fix Ford's personal property at \$15,000,000 which, he said, would be "very conservative."

Board members said Ford would make no statement himself. Ford frequently is listed among the world's richest men, and the Ford family income at one time was reported to be \$100,000,000 annually.

Wenatchee Woman Sets Glider Record

WENATCHEE, Wash., June 19 (AP)—Soaring over Oroville for two hours and five minutes last evening, Audrey Artman, 16-year-old bird woman, set what is believed to be an unofficial world's sustained glider flight record for women.

During the flight Audrey rose 1,200 feet above the takeoff point on Mt. Hull, or 3,800 feet above the valley floor where she ultimately landed when forced down by darkness. She was intent to fly by her brother Floyd, who recently made a flight of more than eight hours from the same point.

CAMBRIDGE, Mass., June 19 (AP)—Posters urging "make him a master of torture," which appeared during the night pasted to the Harvard yard fence and to Hollis Hall windows, were being torn down today by police before the arrival of Dr. Ernst Hanfstaengl here for the class of '09 reunion.

Some of which placards read "make him a master of sterilization" and "drive the Nazi butcher out."
