## THOUSANDS OF CORNS REMOVED

The Moon Drug Company now has a remedy that really will remove ANY corn or callous quickly and without any pain. It is properly named END-O-CORN. If you are one of the unfortunate ones who have tried many so-called "corn cures" and still have your stubborn old corns or callouses, go to the Moon Drug Company NOW and let them demonstrate END-O-CORN. It only costs fifty cents, but it's worth \$50, because it is sure. —Adv.
