## Pioneer Picnic Here

To Be Biggest in Years

(Continued From Page One)

As is generally known the day starts off with the arrival of the replica of the original train from Island City. In the coach of the train which leaves the Island at 9:00 o'clock will be the oldest pioneers which can be found. A program will be offered at the station at 9:30 on the arrival of the train and there are some special numbers to be given here that the committee has secured but are not yet announcing. The parade to the park will form at 10:30 o'clock and will reach the park probably at 11:00. From that time on the pioneer meeting will have much the same outline as in previous years with business, meeting, program and opportunity for visiting, and a basket lunch at noon. It is stressed that each family is to bring its own lunch, the coffee and cream to be provided by the association.

One additional feature and one which promises to have great significance in the routine of students of the old Blue Mountain academy. This is scheduled for 6:30 o'clock and will also be held at Riverside park.

## PLAY DAY FOR CHILDREN HELD

By J. R. Williams

"We'll beat you next time," "We'd have won if—," "Our best player wasn't here," were some of the comments heard at the end of the ball games scheduled Play day between various grades of the J. H. Ackerman Training school. Results of the games were:

Third grade versus fourth and fifth grades, 7-5 in the former's favor.

Red team versus Green team, made up of sixth and seventh grade pupils, 8-3 in the former's favor.

In spite of the usual disappointment at losing and without none too favorable for strenuous exercises, splendid sportsmanship and cooperation were displayed throughout the Play day activities.

July sixth will be remembered as one of the pleasant experiences of the summer season.

The detailed decennial state census taken in Kansas since 1933 will be omitted next year for reasons of economy.
