"The list of underwriters is to be published this week and the finance committee wishes all who desire to have the opportunity of doing their part to pay for the celebration to be included in this publication.

"Some firms and professional men already contacted to do their proportionate share and who have not yet done so, will be called on again this weekend," said the announcement.

At a special meeting of the Union commercial club at Union yesterday, attended by celebration committee members, it was agreed on to observe Friday, July 20, as "Union Day" at the railroad celebration. Union stores are to be closed at 8 a. m. that day and the neighboring town also will enter a fine float in the Friday parade. The Wranglerettes are to participate both in the parade and the Daylight Mardi Gras. Union will support Miss Alice Wilde as a candidate for princess attendant to the celebration queen.

The local committee also reported that, stuck in an attempt to find a bony, scrawny horse for the celebration, they mentioned the matter to Union and the commercial club immediately appointed a five-man committee to find such an animal. Union's co-operation throughout has been splendid, committee report.

National guard troops and police prepared for any emergency, despite the promise of the International Longshoremen's association to conduct a referendum vote among its members on the question of submitting the critical situation to arbitration.

Although the waterfront employers agreed to arbitration, other unions here and in Oakland balloted in favor of a general strike.

Harry Bridges, chairman of the San Francisco joint maritime strike committee, declared, however, that there could be no arbitration of the men's demand for complete control of hiring halls.

The bay district meanwhile prepared for a "stege," with housewives.

Alfred Vandeleur, president of the San Francisco labor council, announced the strike strategy committee of seven members would meet with representatives of all unions at 2 p. m. tomorrow to make its recommendation regarding a general strike.

William J. Lewis, district president of the I. L. A., formally notified President Roosevelt's labor disputes board that his organization would submit the question of arbitration to its membership.

Portland Is Quiet

PORTLAND, Ore., July 12 (AP)—Still resentful of the wounding by police yesterday of four longshoremen in a pitched battle near a municipal terminal, representatives of waterfront workers met in a secret session here today with the "policy" committee of the central labor council.

D. E. Nickerson, chairman of the committee, announced that members of the "policy" group had decided to do everything possible to guarantee a speedy and peaceful settlement of the strike, but he added that every one of the local unions that have taken a vote on the question of a general strike has voted in favor of such a walkout.

Outwardly things are quiet throughout the city.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rain! to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your stomach daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas, flat, belch, your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blotches. You feel aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "top and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware a substitute. Read drug store. © 1931 C. M. Co.
