

## *Keeping Pace Over the Years, with the Progress of La Grande and the Valley*

**38 YEARS UNDER ONE CONTINUOUS  
OWNERSHIP AND MANAGEMENT—  
SUCCESSFULLY MEETING THE  
DEMANDS AND NEEDS OF A  
GROWING COMMUNITY —**

From a small stock of merchandise in a small room, to a business second to none of its kind in size in Eastern Oregon — housed today in its own four-story building, each floor stocked to overflowing with brands of furnishings and merchandise nationally known and recognized for quality and superiority! Truly, our company and the community have grown together.

Builded upon a faith that only through honest, conscientious, value-giving service to customers can a business truly succeed, Bohnenkamp's has steadfastly held to that creed over its 38 years of experience in this territory. Having the proper merchandise in stock and giving people what they want when they want it has ever been a custom of this store.

Most satisfying to us in our years of catering to the needs of both community and valley, is the fact that we hold today the steady patronage of our first customers of over a third of a century ago. We are most grateful for the public support that has contributed to our success in business in this community . . . proud ourselves too, of a business conduct that has drawn and held that patronage to us.
