Following him Hon. Dunham Wright, president of the Union County Pioneers association, the closest living relative of President Lincoln, a pioneer of 1862 and familiarly known throughout the northwest as the "Sage of Medical Springs," was introduced. Mr. Wright, 92 years of age and dressed in an old-fashioned duster and straw hat, delivered an impressive address in response to Mr. Grandy's appropriate remarks.

Following this, with Clint Haynes, a pioneer of 1875, as marshal, a pioneer parade was formed and marched down Adams avenue through lines of applauding people, out toward the park. The Ogden U. P. band led the procession, and following this came an array of horse-drawn vehicles of half a century ago, ranging from the two-wheeled vehicle through the stylish, rubber-wheeled buggies, to the great dray-like vehicle drawn by four horses.

Following is the list of passengers of the train this morning: Dunham Wright, 92, who came here from Iowa when 20 years of age and is the nearest known relative of Abraham Lincoln living today. Mrs. Emma Palmer Harding, who came into the valley in 1864 from Iowa. Mrs. Lucinda Maya Perin who arrived in the valley at the age of five years.

Todd A. Binehart, 78 years old, came to the Willamette valley in 1864 and to Eastern Oregon and Wallawa county to fight Chief Joseph in 1877. Mrs. Annie Gangloff Roesch born here in 1865.

Mrs. Martha Lane Ackley, born here in 1863. Mrs. Miranda Richards Wright, 84 years of age, Oregon born. Mrs. Alma Brown Conley, 71 years old, born here.

Mrs. Annie Vandermeulen, 89 years old, came here from Marion county, Iowa in 1870. Mrs. Catherine Elizabeth Bault Richards, 84 years old, came from Missouri in 1864.

Miss Mae Stevens, came to Eastern Oregon from Eugene in 1881. Frank Conley, aged 68 years, born in Illinois, came here from Kansas in 1874.

In charge of the train were E. Jacobson, engineer, retired; H. M. Bradshaw, engineer in charge; R. L. Norris, fireman; brakemen, Wilford McDaniell and Boyd Pidcock; conductor, J. E. Hough, retired, O. W. Gray, conductor in charge.

We'd say that a tolerant gent is the barber who applauds the plays of a House of Davis baseball team.

NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition with Kellogg's ALL-BRAN. The "first question" your doctor asks is whether you are constipated or not. He knows that this condition may cause headaches, loss of appetite and energy, sleeplessness. It is often the starting point of serious illness.

You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the intestinal wastes. Isn't this "cerebral way" safer and far more pleasant than taking patent medicines — so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal in chronic cases. If seriously ill, see your doctor — ALL-BRAN is not a "cure-all."
