

CRUCIAL SERIES BOBBING UP IN COAST CIRCUIT

Two more of those off-remembering "crucial" series bob up this week to take a hand in determining the Coast league championship.

San Francisco takes its three-game first place lead to Wrigley field for seven games with Los Angeles, winner of the first half title now sharing second place with Hollywood.

The Stars journey to San Francisco for a busy week with the fourth place Missiona, who trail them by a single game.

This week's engagements are the beginning of three weeks of battling among the four leaders that should pretty well settle the second half race.

Next week the four change opponents, the Missiona and Stars tangling while the Angels cross bats with the Stars.

On the basis of their showings last week San Francisco and Los Angeles stack up about even, with the Missiona holding the edge over the Stars who faltered badly to lose six of eight games at Oakland.

Oakland has the week's easiest assignment in the very much beaten Portland Beavers. Dutch Ruether's Seattle Indians, somewhat chastened by a 5-2 series licking at San Francisco, face Sacramento at the California capital.

JACKSON RETAINS HIS COAST TITLE

PORTLAND, Ore., July 25 (AP)—Young Peter Jackson, Los Angeles Negro, today retained Pacific coast lightweight championship, thanks to his effective counter-punching which blocked the vicious onslaughts of Cecil Payne of Louisville in the 10-round fight here last night.

From an early no-count knock-down, due partially to loss of footing, Jackson counter-punched to a close decision. Each weighed 135.

SALVAGE FOR NEEDY

SANTA BARBARA (AP)—Neighborhood House, operated by a benevolent organization, maintains a salvage shop to reclaim discarded articles to supply the needs of unemployed.

Suitcases are the articles in greatest demand but requests range from wood stoves to glass eyes, one of which was listed as wanted recently.

district office, it was announced today. Fulton is in charge of the HOLC reconditioning in Oregon, a new addition to the corporation.

The reconditioning includes repairs and maintenance, remodeling and modernizing of homes, and a number of applications already are on file for federal loans for these purposes.

Lyman will have an office in the HOLC rooms in the post office building, and he will begin his duties this week. Lyman is anxious to have all contractors get in touch with him, since one of his duties will be to furnish lists of acceptable contractors to home owners whose applications for reconditioning are acted on favorably, provided the home owners desire such a list.

GETS EAGLE ON HOLE NUMBER 9

Pete Larson, secretary and treasurer of the La Grande country club, has a new golf yarn to tell today—how he shot an eagle on No. 9 last night. It is a par 5 hole and somewhat difficult for many golfers, but Larson turned in a three. His score for the nine holes was 44.

MORGAN LAKE HIKE PLANNED FOR THE BOYS

A hike strictly for boys, is being planned by Harvey Carter, who is in charge of the Camp Craft group, part of the playground program. Boys who enjoy hiking are invited to meet at the La Grande stadium Thursday morning at 9 o'clock sharp and the hike will begin from there.

Morgan lake has been named as the destination and during the afternoon swimming and games will be on the program.

Two cut-out drawings of the dirigible Macon presented the crew of the McKinley grammar school of Redwood City, Cal., were returned autographed by every man, including commanders.

ANGELS DEFEAT SEALS 7-2 AND PORTLAND WINS

By The Associated Press
Los Angeles was one notch farther along today in its drive to replace San Francisco at the top of the Coast league. The Angels, who faltered badly to lose two series in the early weeks of the second half of the split season, looked like their first half selves as they drubbed the Seals 7-2 yesterday behind Fay Thomas' steady pitching. Incidentally, it was the big right-hander's 17th victory of the season.

In the opener of the week's other "crucial" series the Missiona trimmed Hollywood handsly, 6-2, to climb into a third place tie with the Stars.

Portland ran the current winning streak to three games—just about a record for the 1934 Beavers—by defeating Oakland 4-1. Hal Turpin allowed the Oaks only five hits, while his mates pounded Ludolph, Conlan and Rego for 11.

A five run seventh inning rally gave Seattle the series opener at Sacramento, 6-4. Craghead and Pitke combined to pitch the victory.

Among the historical character impersonations in the pageant were the following principals: Indian maiden—Mrs. Oscar Warnock.

Capt. Bonneville—Merton Kiddle. Wyeth—C. Y. Beale. Ramsey Crooks—Lancelot Kennedy.

Chicago police, who with Sergeant Martin Zarkovich was among the Indiana officers at the death scene, denied emphatically that Mrs. Sage had anything to do with the Dillinger trap.

The mystery as to who shot Dillinger remained. Detective Blattery, who happened on the death scene accidentally, said it appeared to him that Sergeant Zarkovich and Policeman Glyn Stretch of East Chicago were the ones who fired the shot.

Federal Agent Samuel A. Cowley told the coroner's jury that the government men alone did the shooting.

PIONEER DAY CELEBRATED BY MORMONS

(Continued From Page One)

o'clock and continued throughout the afternoon and evening, began with a treasure hunt with those present being divided into two groups, the primary officers having charge of the children from 12 years of age. The hunt was conducted through the mountains near the picnic ground and the groups were shown the beauty spots of the mountains.

The program of the afternoon included an opening talk by President David I. Stoddard and the pioneer address by Bishop E. D. Whiting of Mt. Glea. A highland fling was danced by Mrs. Olson of Baker, accompanied by Miss Alberta Hunt with the accordion. Two readings were given, one by Bernice Wilde, of Union, and the other by Jean Stoddard, of La Grande. Miss Hendrickson, of the La Grande Second Ward gave a vocal solo.

Games of baseball by both men and women, archery contests for the boys and group games for the primary children concluded the afternoon program.

Following the bounteous picnic dinner the entire program of the evening was prepared and presented by the Baker group. Preparations had been made during the past week for the bonfire which was a part of the evening ceremony. Mrs. Lewis, of Baker, led in community singing. Mr. Edwards gave an Indian dance accompanied on the accordion by Nephthi Combe, of La Grande. Other musical numbers were presented, including solos, quartet numbers and readings which concluded the evening's entertainment.

Evacuation Drouth Area is Necessary

anything in this country like the catastrophe I witnessed out there," he said. "There is nothing left, no green thing. It is gone." Asked what could be done with the land after it should be abandoned, Dr. Mead said it could be reseeded to the native bunch or buffalo grass and undoubtedly eventually would make rich range land again. The land never should have been cultivated, Dr. Mead said. It has insufficient rainfall to sustain an intensive agriculture. The drouth this year, he said, was merely an intensification of a sub-normal rainfall period that already had reduced the territory to straitened circumstances.

DETROIT—the nation's motor capital -goes FORD V-8 3 to 1!

DETROITERS help to build most of the cars made in this country. They know what goes into them... and what their owners can expect to get out of them.

That's why Detroit's 3 to 1 preference means something to car buyers in every city in America. It is powerful evidence of the value these wise buyers know is built into this car. The truth is, that the more high priced cars you look at, the more Ford V-8 features you'll see.

The only V-8 engine in a car under \$2500... torque-tube drive... improved clear-vision ventilation... dual down-draft carburetion... safety glass, and steel welded bodies...

Put this new Ford V-8 to your own tests, under your own conditions. Then you'll know why the men who build motor cars choose it.
