Charley Dressen Named Manager of Cincinnati Reds

CINCINNATI, July 28 (AP)—Charley Dressen, after all, will pilot the Cincinnati Reds.
Days of rumor, followed by days and nights of denial, came apparently to an end last night with the announcement by Fay Murray, president of the Nashville club of the Southern association that "Chuck" Dressen—who has managed the Vols through a highly successful season, would leave the team today to pilot the Reds in their first game of a series with the Chicago Cubs tomorrow.

Dressen replaces Bob O'Farrell—who still holds the long end of a two-year contract with the Reds, in his pocket.
