Musical Program Being Arranged For The Fall Flower Show To Be Open At The La Grande Hotel Thursday

Mrs. J. K. Wright, who is chairman of the program committee for the annual fall flower show sponsored by the La Grande Neighborhood club is assembling a series of musical numbers which will be given at intervals during the afternoon and evening. While the program has not yet been completed, Mrs. Wright is announcing today that there will be violin solos by Miss MacIntosh Cooper and vocal numbers by Miss Ruth Geibel, Mrs. Hal Bohnenkamp, Mrs. Floyd Sherwood and Mrs. A. K. Parker.

The committee is emphasizing again today that the deadline for entries in the competition is 12 o'clock noon Thursday at the large ball room of the La Grande hotel. This will give the judges two hours in which to complete their work before the display is opened to the public at 2:00 in the afternoon. The exhibit will also be open in the evening.

Committees at work on the project are quite encouraged over the present prospects for the show. With flowers coming for display and for the contest from all over the county, as well as from La Grande, a large display is assured, it is stated.

R. (Marjorie Reynolds) Christiansen, of Berkeley, Cal.

Pendleton Wedding Has Interest Here

At a simple wedding ceremony at the Church of the Redeemer Saturday morning, says the Pendleton East Oregonian, Miss Maxine Stanfield became the bride of Ralph Jones, Dean Ralph V. Hinkle reading the ceremony. Only Mr. and Mrs. Ralph Stanfield, of Reno, parents of the bride, Miss Kathryn Simpson and Jack Wilson the latter a classmate of Mrs. Jones at Oregon State college, were present.

The bride was charming in a hand knit frock of white, worn with matching accessories. After a wedding trip to Portland, Seattle and Victoria, B. C., Mr. and Mrs. Jones will reside at Ukiah where Mr. Jones is high school principal and Mrs. Jones a member of the faculty.

The marriage unites two well known pioneer families of this county. Mrs. Jones is a graduate of St. Paul's school and Mr. Jones, son of Mr. and Mrs. J. E. Jones, of Preewater, is a graduate of Oregon State college.

Miss Gemmill Is Bride-Elect

Of considerable local interest is the account of a recent party given by Mrs. Randolph Cox, Mrs. Raphael Raymond and Mrs. Albert Boylen who entertained at Helix at a delightful shower Friday at the home of the former, in honor of Miss Lorna Gemmill of Helix whose marriage to Raymond Rees will be an event of September 9. Forty guests were present and the bride received many beautiful gifts. Assisting in serving were Mrs. John Hales, Miss Adelyn McIntyre and Miss Roberta Boylen. Fifteen guests from Pendleton attended.

APPENDIX CASE FATAL TO BOY, 8

Edwin Eugene McGuire died at the Grande Ronde hospital Saturday evening from ruptured appendix. He had been ill for several days and when a doctor was called and he was taken to the hospital for an operation, the rupture already had occurred.

Funeral services were held at 2 o'clock this afternoon at the Episcopal church and the interment was made at the cemetery.

Railroads File For Right to Raise Rates

Application of Railway Executives for all class 1 carriers—railroads doing \$1,000,000 or more business a year. Similar petitions will be presented to all state railroad commissions, the proposal being to raise intrastate rates also. An early hearing is asked.

The roads ask an increase of 3 cents per 100 pounds of grain and grain products except in the east where there would be no raise; 3 to 30 cents a ton on coal and 3 to 45 cents on coke; 10 per cent on cotton with a maximum of 5 cents per 100 pounds; 10 per cent on tobacco with a maximum of 4 cents, and other products in proportion. There are some exceptions in the far west and in sections where truck competition is keen. Some rates which were raised Aug. 20 are exempted.

FIERY HEAD OF NRA WILL STAY ON JOB

Roosevelt, seeking to soothe the ruffled spirits of his conferees, suggested that a decision be postponed while Johnson took a rest and a trip to Europe.

The reconciliation, so far as Johnson is concerned, was consummated just before Mr. Roosevelt's departure Saturday for Hyde Park. Under its terms Johnson stays on as administrator and probably will become, later on, chairman of a board controlling NRA.

The implications respecting Mr. Richberg and Miss Perkins are less clear. Richberg's friends say he will remain the NRA counsel, although there will be no further doubt that Johnson is boss. Miss Perkins is expected to confine her activities more closely to the labor department.

The president did insist, however, that the general take two weeks rest and Johnson consented and departed for the beach. At the end of the two weeks he will see the president at Hyde Park, and they will settle details of the new NRA set-up. And in it the fiery soldier will have first rank.

This does not mean a break between Richberg and the president, or between Miss Perkins and the president. In her own field, Mr. Roosevelt highly regards the secretary of labor; he greatly admires Richberg, and will have other work for him should he retire from NRA. He even is said to have him in mind for elevation, some day, to the supreme court.

Under a reorganization act of the Kentucky legislature, no agency of the state government can spend more money than the department of finance and budgetary control allows it.

J. Y. Walnum, and Ted Hayes, brother of Verne Hayes, of Baker but formerly of La Grande. Miss McWilliams was at Hot Lake today where X-rays were to be taken to determine if her injuries were more serious than at first believed.

According to reports received here the car, driven by Hayes, was on its way toward La Grande, and was preparing to pass an approaching car, just then some horses bolted onto the road, and drivers of both machines slammed on the brakes. The Hayes car overturned in the road, throwing all four of its occupants out.

Three Elections Over The Nation Tomorrow

Miss Hazel Barton, of Innaha, one of the attendants to the queen of the Pendleton Round-Up this year and who, with her mother and sister, operates a large ranch in Wallawa county, was a guest speaker at the Lions club luncheon today at noon. Miss Barton gave an interesting talk on the Round-Up.

Dr. Ben Freese, of Los Angeles, here visiting his brother, Norman Freese, also spoke, telling of an interesting 6,000-mile trip he has just enjoyed, going to New York from Los Angeles by airplane and then coming back with his family by motor. He said the ideal life to him would be nine months of the year in Los Angeles and the other three in La Grande. The Lions will not meet next Monday because of the Labor day holiday.
