COAST SCHEDULE FAVORS ANGELS TO COP PENNANT

By The Associated Press
Only five weeks of play remain in the second half battle for Coast League honors, and they look like five weeks of trouble for Dutch Ruether's gallant band of Indians. The two-game lead Los Angeles built up over Seattle last week wouldn't cause Ruether undue concern if it weren't for the schedules.
The Angels play four of the remaining five series on their home lot, Seattle only two. Moreover, the Lowell men face the Missions, Sacramento twice, Oakland and Seattle in the remaining series, with only the Reds and Indians constituting first division opposition.
Meanwhile the Ruether Tribe will be crossing bats with Oakland, twice with the Missions and once each with Hollywood and Los Angeles. Only Oakland rates as an easy assignment.

MONTGOMERY WARD

SEALSKIN The Practical Shoe for Winter Wear

Genuine seal skin, the kind that is used in the Uptown style, makes an ideal shoe for winter wear. Its grain, rather pronounced, goes well with the coarser weaves in clothing that men are wearing this season, and this shoe with tailored toe, over the Paragon last, will be a favorite with well-dressed men.
