Man Faces Charge Of Poisoning Wife

OREGON CITY, Ore., April 24 (UP) - Wilmer Brinkhoff, 39-year-old former chicken rancher, will be arraigned on a second-degree murder charge Thursday morning.

District Attorney Stanley Mitchell told Circuit Judge Earl C. Latourette that Brinkhoff had agreed to waive grand jury action and to plead guilty to the second-degree murder charge in connection with the death by poisoning his wife, Mrs. Elma Lenora Brinkhoff, 27, here last July.

Starts Wednesday in the Evening Observer

Markets

Stock Market Hits Eight-Year Highs

NEW YORK, April 24 (UP)—Stocks rose to 8-year highs today on increased turnover as Wall Street awaited word of a junction of American and Russian forces on the Berlin front expected to herald V-E day.

War and peace stocks alike participated in the general advance. Railroad stocks led in volume and their average hit a new top since June 10, 1937. Utilities with small gains went into a new high since July 31, 1937 and the industrial list was at its best level since September 16, 1937. These gains lifted the general market average to its highest point since August 25, 1937. Sales crossed the million-share mark before 1 p. m. and the trading was fairly active for the rest of the day.

New York Central, in top place in volume, made a new high on a gain of more than a point. Other top-ranking rails joined it. High and low-priced motors were strong with the latter active. Rail equipments, liquors, steels, oils, chemicals, and special issues moved ahead.

Portland Livestock

PORTLAND, April 24 (UP)—Livestock: Cattle, salable 100, calves 15, early supply mostly cows, opening sales steady, steers quotable steady at Monday's 25 cent decline. Extreme top Monday 17.00; canner and cutter cows today 7.9-50, shells down to 6.00; medium-good sausage bulls, 10.50-12.50; good beef bulls Monday up to 13.50; good-choice vealers salable 15-16.00.

Hogs, salable 50, market active, steady, few butchers 15.75, sows 16.00, feeder pigs, scarce, salable 17.50-18.00.

Sheep, salable 100, market active, steady, good 60 lb. spring lambs 15.00; good-choice around 60 lbs., quotable to 18.00; good-choice number 3 pelts lambs 14-75; good-choice number pelt ewes 7.00.

Portland Dairy

PORTLAND, April 24 (UP)—Butter production is fractionally increasing but far below the make for last year. Lack of points also is contributing to the absence of butter in eating establishments and homes.

Prices on the Portland dairy market generally were unchanged today.

Butter—Cube 93 score 42 1/2; 92 score 42 1/4; 90 score 42c; 89 score 41 1/2c pound.

Eggs—Prices to retailers: AA large 44c; A large 42c; medium A 39c; small 35c dozen.

Cheese—Oregon triplets 27.2c; delectables 27.7c; Oregon loaf 27.9c. Jobbers pay 1/2c below quotations.

Portland Grain

PORTLAND, Ore., April 24 (UP)—Wheat range—all blank. Cash wheat: S white hd wh app 151; s white hd wh no rex 151; white club 152; western red 152; hard red winter ordinary 151; hard white heart ordinary 151.

Cash grain: Oats No. 2 38 lbs. white 46.75; barley No. 2 45 lbs. west 47.08.

Chicago Grain

CHICAGO, April 24 (UP)—Rye led a strong close in grain futures on the board of trade today with gains of around three cents. Talk of a rye export program and strength on the Canadian exchange influenced the bullish tone. Wheat closed strong, spurred on by tight cash wheat markets and restricted mill supplies.

Rye finished the day up 2 1/2 to 3 1/2 cents a bushel; wheat was up 1 1/2 to 1 3/4; corn up 1 1/2 to 1 3/4; oats up 1 1/2 to 2 1/4 and barley quoted unchanged to up 1 1/4.

Milling interests acted on both sides of the wheat market in brisk trade. Buying by elevator interests and the local trade also aided the upturn.

McChord Field, Wash., April 24 (UP)—Rugged terrain and bitter weather hampered the search today for two of eight crewmen who parachuted when their B-24 Liberator bomber developed engine trouble over Fairfax, Wash., Saturday.

Military officials today identified the missing airmen as 2nd Lt. Carl F. Schmitt, co-pilot, Rockville Center, N. Y., and Sgt. Robert D. Brooking, Sandy Hook, Va. Next of kin has been notified.

Five of the fliers were uninjured, but the sixth, 2nd Lt. Robert O. Huckaby, Waco, Tex., received undetermined injuries and was returned to McChord field by ambulance last night. A rescue party battled its way over wooded ridges for 13 hours to reach the injured airman.

Huckaby's wife was notified at their Walla Walla home. The lieutenant is a bombardier at the Walla Walla air base.

Baker Lodge Gives Seven Scholarships

Receipt of seven freshman scholarships to Eastern Oregon college was announced today by President Roben J. Maaske.

The all-tuition grants, worth \$74 each were contributed by the Elks' lodge of Baker. Five will go to qualifying high school seniors of Baker county and two will go to high school graduates in Grant county who plan to attend the local college next fall.

Nome, Alaska, is situated farther west than the Hawaiian islands.

Third Army Hits Outer Defenses Of Hitler's Retreat

(Continued from Page 1)

Strong infantry forces were crowding up close behind the American tank spearheads, reaching Duerling, eight miles west of Regensburg, this afternoon.

At Regensburg, the Americans were only 61 miles north of Munich, gateway to the Bavarian redoubt.

There was no immediate word on the progress of other Third army columns advancing southward along the Czechoslovak border to the east within 105 miles of Berchtesgaden.

More than 2,000 American and French tanks were on the move against the Nazis' last retreat in the Bavarian Alps along a 200-mile front manned by Patton's veterans and the powerful American Seventh and French First armies.

Headquarters revealed that one of the greatest armored striking forces in military history had been thrown against the Bavarian retreat where the hunted Nazi leaders were trying to gather their remaining SS divisions for the last battle of Europe.

The American Third and Seventh and the French First armies were advancing flank to flank through the outer Bavarian defenses on a battle line extending from the Swiss to the Czechoslovak borders, using possibly 10 or more armored divisions to spearhead the assault.

Reds Report Juncture

Moscow reported a juncture between Soviet and American First army troops south of Berlin that split Germany irrevocably and committed the enemy to a hopeless "pocket defense" of the remnants of his homeland.

Still another juncture of the eastern and western fronts appeared imminent on the U. S. Ninth army lines along the Elbe river. The Yanks cleared out the last enemy pockets west of the river in their sector west and northwest of Berlin and opened direct radio contact with Russian troops storming past the embattled Nazi capital.

Field dispatches said no actual link-up had been made on the Ninth army front up to 9 a. m. Tuesday (3 a. m. EWT).

Weather Hampers Search for Airmen

McChord Field, Wash., April 24 (UP)—Rugged terrain and bitter weather hampered the search today for two of eight crewmen who parachuted when their B-24 Liberator bomber developed engine trouble over Fairfax, Wash., Saturday.

Military officials today identified the missing airmen as 2nd Lt. Carl F. Schmitt, co-pilot, Rockville Center, N. Y., and Sgt. Robert D. Brooking, Sandy Hook, Va. Next of kin has been notified.

Five of the fliers were uninjured, but the sixth, 2nd Lt. Robert O. Huckaby, Waco, Tex., received undetermined injuries and was returned to McChord field by ambulance last night. A rescue party battled its way over wooded ridges for 13 hours to reach the injured airman.

Huckaby's wife was notified at their Walla Walla home. The lieutenant is a bombardier at the Walla Walla air base.

Women with PILES Get DOCTORS' Tip

You know, without asking, that this formula for a cure for PILES is the best. It's the same one used by DOCTORS subjectively for men and women patients at Johns Hopkins and other famous hospitals.

It's the same one used by the U. S. Navy Surgeon General, and it's the same one used by the U. S. Army Surgeon General. It's the same one used by the U. S. Coast and Geodetic Survey, and it's the same one used by the U. S. Public Health Service.

It's the same one used by the U. S. Marine Corps, and it's the same one used by the U. S. Air Force. It's the same one used by the U. S. Navy, and it's the same one used by the U. S. Army.

It's the same one used by the U. S. Coast and Geodetic Survey, and it's the same one used by the U. S. Public Health Service. It's the same one used by the U. S. Marine Corps, and it's the same one used by the U. S. Air Force.

Calendar of Coming Events

April 24 - Knights Templar, Malta degree, Eastern Oregon and Baker commanderies, Masonic temple, 7:30 p. m.

April 24 - Junior chamber of commerce, Stein cafe, fireside room, 7:30 p. m.

April 25 - Waste paper and tin can salvage day.

April 25 - City commission, city hall, 8 p. m.

Waste Paper, Can Collections to Be Made Tomorrow

(Continued from Page 1)

Boy scouts and the junior chamber workers will assemble at the salvage depot on Jefferson avenue opposite the railroad station at 2 o'clock to start the collection, and paper will be hauled directly to the railroad loading track, where a car has been spotted to rush it to the mill for conversion into war material.

Scouts and cubs who are unable to participate in the collection and who have paper to be turned in are requested by Miller to tell another scout or notify the chamber of commerce of the location of the paper to insure that it is collected.

Moscow Reports Meeting of Soviet, American Forces

(Continued from Page 1)

Shal Gregory K. Zhukov's first White Russian army had broken into Charlottenburg, the sprawling area of Berlin lying directly west of the business area. Zhukov's forces had been beating straight across the core of Berlin on a siege line between the northwest and southeast parts of the city.

The report tallied with an earlier hint from Nazi sources that the hard pressed defenders were falling back into the northwestern quarter of Berlin for their last stand.

Hitler Reported in Berlin

A radio in north Germany reported yesterday that Hitler was in Berlin. It said that "the fuhrer, who so often stayed with his soldiers on the eastern front, now again is in the midst of them in Berlin."

Americans Split Japs on Mindanao

MANILA, April 24 (UP)—American troops split Japanese forces on Mindanao in two and raced toward the principal city of Davao today against only light opposition.

As the Mindanao campaign neared its final phase, Gen. Douglas MacArthur announced that 10,896 Japanese were killed and 353 captured throughout the Philippines in the last eight days.

These figures brought the total Japanese casualties in the Philippines to 334,465, compared to 34,518 for the U. S. sixth and eighth armies fighting in the archipelago.

A killing power of 171 pounds is attributed to the average human jaw.

Stettinius Sees Hope for Success Of Security Parley

(Continued from Page 1)

Delegates of other nations anxiously awaited the arrival of the top diplomats of the big powers. It generally was conceded that the United States, Great Britain and the Soviet Union must adjust this dispute among themselves if the United States conference is to have the hoped-for opportunity to write a post-war security charter.

Allied Prisoner Mistreatment To Bring Punishment

(Continued from Page 1)

on a resolution to deny war criminals refuge in neutral countries. The resolution, which has state department backing, would put congress on record as favoring the use of "such means as may be necessary" to obtain release of war criminals should they seek safety in Sweden, Switzerland, Ireland, Spain or other neutral nations.

Another resolution provides for a presidentially appointed commission to work with the United Nations war crimes commission in punishment of axis war criminals.

Pearson's Partner Loses Right Arm

WASHINGTON, April 24 (UP)—Col. Robert S. Allen of the U. S. third army staff, former co-author of the "Washington Merry-Go-Round" column, lost his lower right arm by amputation after being wounded April 7 south of Ohrdruf, Germany, the war department announced today.

He was ambushed, wounded and captured by the enemy, but was freed three days later when the third army occupied Ehrfurt. Seriousness of the gunshot wound required amputation of the lower part of the arm. He was released from the hospital April 20.

Pasteurization of Milk Recommended

PORTLAND, April 24 (UP)—United States public health officials today recommended 100 per cent pasteurization of the Portland milk supply and greater supervision over milk production.

A survey of the Portland milk shed made Feb. 12-21 brought a severe criticism from the federal agency, particularly
