

## College Girls to Appear Tonight in Concert Program

Students at Eastern Oregon college will appear tonight in the college auditorium in the second event of community observance of National music week, sponsored locally by the Neighborhood club. Dr. Henry Ehlers will be the director.

The concert will open with a group of selections in the classic style sung by the girls' glee club. They also will sing a group of songs from various nations, including numbers representative of the British, Chinese, Russian, Chilean and Mexican.

Their final group will be popular numbers by Vincent Youmans, Sigmund Romberg, and other contemporary contemporary composers. Evelyn Scott will be the accompanist.

Miss Beverly Decker will be heard in a piano solo performance of "Fantasia" from Mozart's 17th Sonata, and Misses Scott, Lois Hill and Dorothy Swart will play a piano, flute and clarinet version of "Lo, Hear the Gentle Lark," by Bishop.

Short talks will be made by Hazel Trollinger and Beverly Shorb, respectively, on "The Significance of National Music Week," and "Music Today."

The next music week concert will be presented Thursday night in the Presbyterian church by the Neighborhood club.

## V-DAY I is here. Now let us aim at V-DAY 2

**Germany has been defeated. Europe is free.**

All Americans have waited long to be able to say that. Most Americans have worked hard to be able to say it. Many Americans have sacrificed much to say it. Many Americans have sacrificed all.

To these, let us give thanks. But more than that, let us promise them that "they have not died in vain".

They fought and died not for a peaceful Europe—but for a peaceful world.

Let us renew our pledge to give all we have to hastening the day when we can say:

**"Japan has been defeated.**

**All the world is free."**
