STAND SHOULDER TO SHOULDER IN THE MIGHTY SEVENTH

••• After the bloody battle for Iwo, no American can doubt that victory comes high—in lives and dollars!

••• But every American is determined to win the final victory, no matter what the cost!

••• Here at home we're engaged in the greatest, the most urgent War Bond drive of the war. It will take more bond purchases than ever before to put it over the top. Find your quota in the box at the right—and buy your share of Bonds—more if you possibly can!

WHY MORE BONDS ARE NEEDED IN THE SEVENTH

••• As the fury of the fight for victory mounts, the cost of war becomes higher. The

nearer we get to the heart of the enemy, the longer our communication lines become. That means more trucks, more transport planes, thousands of more troop and supply vessels. We need more special equipment, more B-29's and planes of all types, more tanks, more guns—more of every weapon of war. There are thousands of ways in which your money is needed to keep your fighting men supplied with the best.

••• And don't forget—War Bonds are still the world's best investment. You get \$4.00 for every \$3.00 you invest, at maturity . . . and if, 60 days after issue date, you must have your money back in an emergency, you can get it at a moment's notice.

••• Let's answer our country's call—buy more bonds for victory and your future during this great Seventh War Loan.
