"Sludge Can Ruin Your Motor"

Bring in Your Car for **NU-ZIP SLUDGE SERVICE!**

Removes sludge and carbon, stops fuel knocks, prevents engine wear and avoids crankcase dilution. We do a thorough job according to Nu Zip specifications. Come in and have us explain the process to you.

**NU ZIP SPECIAL**

We drain crankcase, re-fill with Nu Zip purging oil, pour Nu Zip in each spark plug throat and into carburetor throat and into gasoline in tank. It is run on fast idle until cleansing is accomplished. Then crankcase is drained and fresh oil added.

**Only \$6.75**
