# ALLEY OOP

DR. ELBERT WONMUG, FERTILE MINDED INVENTOR OF THE TIME-MACHINE, ONCE AGAIN INVADES THE FIELDS OF IMPROBABILITY.

WHAT'S THAT FUNNY LITTLE MACHINE YOU'RE WORKING ON, DR. WONMUG?

THIS, MY DEAR, MAY WELL PROVE TO BE THE SENSATION OF THE MACHINE AGE! IT'S A PERPETUAL MOTION MACHINE!

WELL, HERE WE GO AGAIN! NOW HOW MUCH OF MY HIDE IS THAT CONTRAPTION GONNA COST ME?

NOT ONLY HAVE I ACHIEVED THE IMPOSSIBLE--I HAVE PACKED SOME 300 HORSE POWER INTO THIS UNIT!

THREE HUNDRED HORSE POWER?

LOOK, DOC...AIN'T IT HORSE POWER Y'GOT IN THAT CAR OUT THERE?

YES, OOP, THAT CAR IS RATED AT 90 HORSE POWER!

OH! WELL IF YOU'D PUT MULE POWER INTO THAT GADGET YOU'D HAVE SUMPIN'!

EH?? I DON'T GET IT!

4:00AM! BOY, THIS IS THE LATEST I'VE STAYED OUT SINCE I GOT MARRIED!

AND I CAN MAKE ALL THE NOISE I WANT COMING IN-- BABE'S AWAY FOR THE NIGHT!

I WISH BABE WERE HOME, THOUGH-- IT'S NO FUN STAYING OUT LATE IF YOU DON'T HAVE TO SNEAK IN!

GOSHI! WHO COULD THAT BE PHONING AT THIS HOUR?

RING

MORACE! THIS IS BABE! A NEIGHBOR PHONED ME THAT YOU JUST GOT IN! AREN'T YOU ASHAMED OF YOURSELF?

LOOK...LAST WEEK WE GOT STUCK IN A MUD HOLE AN' ALL THEM 90 HORSE POWERS COULDN'T GET US OUT...BUT A COUPLE OF MULES DONE IT!

BUT THAT WAS A MATTER OF TRACTION, NOT HORSE POWER

IF Y'ASK ME, IT WAS A MATTER OF MULE POWER!

HORSES HAVEN'T GOT ANYTHING TO DO WITH IT... NOR MULES EITHER!

A HORSE POWER IS A MEASURE OF WORK OUTPUT SUFFICIENT TO RAISE 33,000 POUNDS ONE FOOT IN ONE MINUTE!

AW, THAT DON'T MAKE SENSE! WHAT'S ONE MINUTE GOT TO DO WITH IT?

EITHER A HORSE CAN LIFT 33,000 POUNDS OR HE CAN'T. NO MATTER HOW MUCH TIME HE'S GOT!

BUT, OOP, I'VE BEEN TRYING TO TELL YOU A HORSE HASN'T A THING TO DO...

OH, DEAR, WHAT'S THE USE??

IF I WAS A HORSE, I WOULDN'T HAVE ANYTHING T' DO WITH IT EITHER! HORSE POWER IS TH' BUNK!

746 DYNAMO WATTS 5-2-25 ASPIN 30000 AW, NUTS! I WONDER WHAT THIS BOOK SAYS ABOUT HORSE SENSE!
