Markets

Stock Market Has Irregular Trend

NEW YORK, June 27 (UP)—A rise of around a point in American Telephone capital shares to a new high since 1937 and higher prices for airline issues featured an otherwise irregular stock market today.

Some of the hesitation stemmed from rumors the federal reserve board will raise its present 50 per cent margins, probably to 74 to 100 per cent.

In the airlines, gains toward the close ranged to around five points in Pennsylvania-Central, Pan-American rose more than 3 points. American telephone hit 175 1/2, up 1/2. Motors sagged. Steels firmed.

PORTLAND LIVESTOCK

Hogs, salable 50, market active, steady, few barrows and gilts 15.75; cows 15.00; feeder pigs scarce; salable 20-20.50.

Sheep, salable 1,000, market very active, steady, following full clearance Tuesday, good-choice spring mostly 14.00; one choice lot 14.50; common-medium 10-1.00; good ewes 6.00; deck cull ewes 2.00.

PORTLAND DAIRY

PORTLAND, June 27 (UP)—Eggs receipts on the Portland dairy market are reported down about 70 per cent and dealers are having a hard time keeping supplies for steady customers. No improvement is in sight.

Butter stocks are piling up, as well as cheese.
Prices are unchanged.
Butter—Cube 93 score 42 3/4c; 92 score 42 1/4c; 90 score 42c; 89 score 41 1/2c pound.

Eggs—prices to retailers (cases)—AA large, 47c; A large, 45c; medium, 42c; small 38c dozen.

Cheese—To wholesalers f. o. b. factory; Oregon triplets 28.1c; dairies (blank); Oregon loaf 28.3c. Jobbers pay 1/2 below quotations.

CHICAGO GRAIN

CHICAGO, June 27 (UP)—Mill-buying and short-covering lifted wheat futures fractionally on the board of trade today. Other grains firmed with wheat.

Wheat furthered gains on the close to finish up 3/4 to 1 cent a bushel; corn was unchanged to up 1/4; oats up 1/4 to 3/4, rye up 3/4 to 1 1/4, and barley up 1/4 to 3/4.

Interest centered in wheat where current government flour buying and prospects of heavy demand from the army and baking trade offset southwestern hedge selling. Southwest trade advice indicated that a larger percentage of the new wheat is being sold than last year.

Cove Woman Dies Of Heart Attack

Mary M. Harris, 77, died early today at her home in Cove, following a heart attack.

She was born May 11, 1868, in Floyd county, Virginia, and had lived in Union county 44 years.

Survivors are two daughters, Mrs. Nannie Belt of La Grande, and Mrs. Bertha Beylin, Anchorage, Alaska, and three sons, Thomas of La Grande, James of Yakima, Wash., and Ben of Redondo, Wash. Eleven grandchildren and one great grandchild also survive.

Funeral arrangements have not been completed.

Accidents Send Two Women to Hospital

Mrs. Viola Fulmer is under treatment in the Grande Ronde hospital today as the result of a fall which caused a fracture of her ankle.

She accompanied some children on a picnic on Catherine creek yesterday, when she stepped on a rock which caused her to fall, incurring the injury.

Stella Shirley also is a patient in the hospital where she is being treated for a head injury incurred when she fell at her home following a heart attack.

RANSOM

U. S. flyers rescued from drowning are sometimes held for "ransom" by their rescuers. U. S. coast guard and destroyers which have rescued a downed flyer will hold the flyer until they are paid a ransom of from 20 to 30 gallons of ice cream by the rescued flyer's base carrier. The ransom is always paid.

Oil Plant Blasted

Fifty B-29s last night bombed the Utsube river oil refinery. Japan's largest surviving gasoline plant, 18 miles southwest of Nagoya, only 14 hours after nearly 500 of the big bombers raided 10 aircraft and arms plants in Japan—the first time Superfortresses have hit Japan in strength twice in 24 hours.

The Utsube river refinery was Japan's largest producer of aviation fuel.

The Japanese Domei news agency reported that two Superfortresses had been observed scouting the southern section of Hokkaido, the most northern of the main Jap islands.

Mustangs escorting the bombers shot down two intercepting enemy planes and damaged six, but five B-29s were lost.

One Mustang was also lost, but the pilot was rescued at sea. More than 70 Superfortresses made emergency landings on Iwo, at one time landing at the rate of one every 30 to 45 seconds. Most ran short of gasoline, but others had been damaged over Japan.

Rousing Welcome Given President By Home Town Crowd

(Continued from Page 1)
traveled with the presidential party to Kansas City. He was en route to the governor's conference at Macinac Island, Mich.

A 50-mile-an-hour wind which beat President Truman to his home town by a dozen hours brought street cleaning and repair crews out under emergency orders to brush up the town for his arrival.

Torn down and tattered by the gale were many of the banners and bunting which decked the town square, and streets were littered with debris of broken trees.

Civil leaders scheduled only two informal gatherings, both to-night. The president was expected to make a brief address at each. Tomorrow he will be feted in nearby Kansas City. The last two days of his four-day visit to Missouri he will rest at his summer White House here.

Stove Starts Fire At Camp Prescott

MEDFORD, Ore., June 27 (UP)—A mess hall, kitchen and store room at Camp Prescott, three miles east of here, were destroyed last night by a fire starting in an oil cook stove.
A fire truck from Medford and forest service equipment prevented the fire from spreading to other buildings.

DIVORCE IS SOUGHT

Finley Le Clair has filed suit for divorce from Lena Promise Finley, charging desertion. They married June 29, 1929, and have three minor children. They have been separated since June, 1943.

Le Clair agreed to give her custody of the children and pay \$60 monthly for their support.
