

HOW ALLIES WILL RULE BERLIN—Broken line on above map of Berlin and environs shows the occupation areas taken over by the United States, England and Russia. The Yanks' 1st airborne army, under direction of Maj. Gen. Floyd I. Parks, with headquarters at Halle, 90 miles south of the capital, takes over policing of the southern section, including the Tempelhof airfield. Russia gets the bulk of the working class section. British area includes fashionable residential and shopping districts. Leader of the American 1st airborne army is Maj. Gen. Floyd I. Parks, right.

Today's Sport Parade

By JACK CUDDY UP Staff Correspondent

NEW YORK, June 30 (UP)—A whirl on the sports-go-round: Paul (Dizzy) Trout of the Tigers has won only seven games while losing eight this season. Trout admirers are beginning to be alarmed. They fear he will not even come close to last year's mark of 27 and 14. However, they should remember that on last June 30, Dizzy had won eight and lost eight, and that in the clutch half of the campaign he picked up 19 wins while losing only six contests.

The Ring magazine's latest ratings have elevated Negro Archie Moore to top contender among the light heavyweights. The St. Louis veteran is in his eighth year as a professional, but he is going places now under Jimmy Johnston's management. His elevation followed two victories (by decision and knockout) over Lloyd Marshall, top contender for the past three years.

Bobby Permane, the left-handed jockey, was disappointed but not disconsolate over what happened in his first stake race. He finished last in the recent Belmont stakes on Brookfield, a 40-1 shot. While congratulating Eddie Arcaro, who brought Pavot home first, Permane said, "Anyway, Eddie, I won't have to be worrying about income tax. And boy, how I'd hate to have to be paying yours."

Frank J. Shaughnessy, president of the International League, believes that a new record for postponed games in his circuit may be set this season. A total of 37 have been postponed already.

HITLESS WONDER—Fifty times at bat—no hits, no runs, no errors. That's record of disconsolate S. Sgt. Walter J. Szulborski, above, pictured beside a 50-caliber machine gun he manned on 36 missions during 250 hours over Europe's toughest targets—and never fired a shot. Szulborski, hailing from Bethlehem, Pa., now is at Langley field, Va., ready to hop to the Pacific for another try.

Thirty-four of them have been played off, leaving 53 to plague pitching staffs with doubleheaders later. Bad weather during the season's first six weeks caused most of the date delays.

Appointment of Ben Chapman as manager of the Phillies indicates that the Brooklyn Dodger mound is a training ground for Phillie managerial candidates. Fat Freddy Fitzsimmons did his chicken' chores with the Dodgers until called to Philadelphia, shortly before assuming the mantle of authority. Could Whitlow Wyatt be next in line? The bald eagle of Chickamauga, Ga., shifted from Brooklyn to the Phils before this the current season opened; and he's right in stride as a Phillie flinger now, with no victories and six defeats.

Mayer Entry is Favored to Win Arcadia Classic

ARCADIA, Calif., June 30 (UP)—Thumbs up, Louis B. Mayer's record-breaker, is favored by 65-000 turf fans to capture the eighth running of the \$100,000 Santa Anita handicap, the world's richest horse race. It is the second consecutive week that a horse from Mayer's Ferris Farms has been favored to capture a major stake event at Santa Anita. Mayer, however, hopes for better than the filly Bush's second place in last week's \$50,000 Santa Anita Derby. Thumbs up, a probable 6 to 2 favorite at post time, will carry jockey Johnny Longden, and 130 pounds, top weight for the grueling mile and one quarter race against 12 other thoroughbreds. The field of 13 equals the smallest in the history of the classic. Winner's share in the "hundred grander" will be the smallest of all time, \$83,160 and the traditional gold cup. Judge Christopher J. Fitzgerald, Santa Anita's first steward, will make the presentation.

Second choice is the question mark of the Santa Anita turf season—Gay Dalton, the highly-heralded Mexican champion. In his two appearances at the luxury oval, the Gay one has run brilliantly during the last three eighths of each race to wind up excitingly—eighth and fifth. Followers of the five-year-old, touted at 4 to 1 despite his 120 pounds, maintain he has been held back, but will be running in earnest this time.

Controls on Western Pine Lumber Eased

WASHINGTON, June 30 (UP)—The war production board said today that western pine lumber and better grades of heavy hardwood lumber produced in small mills had been released from special distribution controls. Small-mill output of these species and grades cannot in general meet exacting specifications for war use and is limited in quantity, WPB explained.

Chapman Takes Over As Philly Leader

PHILADELPHIA, June 30 (UP)—To castoff pitcher Ben Chapman went the job today of leading the Philadelphia Phillies out of the wilderness. Chapman, taking over as manager for Fat Freddy Fitzsimmons, said he was so surprised at being named that he hadn't had any chance at all "to figure out my plans." The new field boss, who outlived his usefulness with the Dodgers two weeks ago when he was swapped to the Phils in a straight player deal for catcher Johnny Peacock, is a veteran major leaguer.

It has been reported, contrary to popular belief, that the mortality rates among whites in many of the southern states is very close to, or even below, the national mortality average.

Beavers Lengthen By Beating Sacs As Rainiers Lose

By United Press
The Portland Beavers stretched their Pacific Coast league leadership to five and one-half games last night as they downed the Sacramento Solons, 4-1, while the runner-up Seattle Rainiers were losing to the resurgent San Diego Padres, 6-5. A new threat, however, loomed on the horizon as the San Francisco Seals won their fourth straight from Los Angeles again with a late inning rally—by a 4-3 count. In the other game of the evening, the Hollywood Stars finally captured one from Oakland, 7-2.

While the rainiers have been taking their beatings down south, San Francisco has been making hay at the expense of Los Angeles and the result is that Manager Lefty O'Doul's aggregation now is only two games behind Seattle. In last night's encounter the Seals went into the seventh inning trailing by a 3-1 count. But some weird infield play, plus one hit and a walk gave the Seals three runs.

Rally Wins for Beavers
At Sacramento the Beavers broke loose with a three run rally in the sixth to clinch their tilt with the Sacs. Four singles by Frank Demaree, Johnny O'Neill, Eddie Adams and Syd Cohen, plus two Sac errors tugged the game away.

Winning Pitcher Joe Mishasek gave up 10 hits to the Oaks but spaced them so that only two runs came in. One was a homer by Jake Caulfield in the third inning with none on base. The Stars broke a 2-2 tie in the seventh inning by collecting five runs on five hits, including a three-bagger by Les Powers and two-base hits by Jim Hill and Hugh Willingham.

Carl Dumber was credited with the Padre win although Vallee Eaves struck out Seattle after the Sacs had scored one run and had the tying marker on base. Dumber hit into a double play in the second inning with the bases loaded to score Tommy Thompson with a San Diego run and in the third, Jack Harsman batted in Dick Gyselman who had doubled, tying the score at 2-2.

Graziano Kayoes Champ Cochrane

NEW YORK, June 30 (UP)—The boxing world held respect for welterweight champion Freddie Cochrane today, although his return to big-time competition was marred by the first full-count knockout of his long career.

Cochrane was knocked out last night by Rocky Graziano in the 10th round of their non-title bout before 14,972 fans at Madison Square Garden.

Cochrane was leading on points going into the 10th. Cochrane staggered out of his corner for the 10th, after his seconds had only partially revived him from his first knockdown, just before the bell ending the ninth session. Graziano came at him with a bull-like rush, smashing the champion from side to side with looping punches. As Cochrane attempted to fall into a clinch, Rocky nailed him on the chin with a short right uppercut, and the champion fell flat on his back near Graziano's corner.

Rejuvenated Yanks Wallop Pirate Crew

NEW YORK, June 30 (UP)—The rejuvenated New York Giants won their fifth game in six starts, beating the highly-regarded Pirates yesterday, 3 to 2, with a ninth inning rally that netted all the runs. Pitcher Max Butcher, weakening in a hurry, climaxed his crack-up by hitting pinch-hitter Al Gardella to force in the winning run. Ace Adams, who relieved Bill Voiselle in the ninth, gained the victory. The Pirates have lost three of four games in New York and nine out of their last 12.

Dodgers Trim Cubs

The Dodgers, giving Ebbs field fans heart-knocks with ninth inning victory finishes, beat the Cubs, 5 to 4, when Luis Olmo singled home the winning run with two out. But they couldn't pull the second game out of the fire and the Cubs won, 3 to 1. Relief Pitcher Cy Buker gained the first game decision. Hy Vandenberg, outpitching Vic Lombardi, gave up only four hits in the second. Bill Nicholson of the Cubs and Augie Galan of the Dodgers hit homers.

The Cards moved within two and a half games of the leading Dodgers by beating the Phils, 9 to 1, after which Quaker manager Freddy Fitzsimmons resigned. Catcher Del Rice led the winners with a triple and two doubles as Charley Barre won his sixth victory since joining the Cards.

Walters Wins for Reds

Bucky Walters, back after a two-week layoff, pitched the Reds to a 4 to 1 win at Boston. Chuck Workman hit a homer and Tommy Holmes got one hit for the Braves, running his streak to 25 straight games. Dave Ferriss again was the sensation of the American league, winning his 11th game for the Red Sox, 4 to 2, at Chicago, but not until he drove in two runs in the ninth with a home. His fourth inning single scored another.

The Washington Nats won their second game by winning, 3 to 3, behind another rookie pitching standout, Marino Pierotti. The short-statured right hander won his eighth game, backing up his own cause with

three hits. Gil Torres and George Binks also made three each in the 15-hit assault on four Tiger pitchers.

Cleveland beat the winning Athletics, 4 to 2, running their losing streak to 10 games as catcher Frankie Hayes of the Indians set a new major league record for catchers by appearing in his 218th game. Lambert Meyer made two hits and drove in two runs to lead the 13-hit attack. Allie Reynolds won his seventh game.

Synthetic rubber, according to tests recently made, can compete right now with natural rubber as outer casings for automobile tires. The tests consisted of driving stock synthetic tires around the Indianapolis speedway at 100 mph. Synthetic tires lasted 500 miles without a blowout, or the equivalent of 50,000 miles of average tire wear.
