

Collections For Do-Nut Hut Now Reach \$1,005

Furnish Coffee, Doughnuts For Service Men

Collections for the Do-Nut hut to date have reached a total of \$1,005 through the solicitation by letter campaign carried out under the direction of Arch K. Parker, president of the La Grande branch of the First National bank.

This amount does not include cash contributions left at the chamber of commerce office, nor does it include the hundreds of cash and commodities donations made by individuals directly to the hut.

Some benefactors contribute each month, among them being the Oregon Trail Lumber company at Union, the La Grande Elks lodge, the Baptist Ladies Aid of La Grande, the Business Women's club of Union, and the local Veterans of Foreign Wars and auxiliary.

Holmes grocery and Sindens grocery both contribute almost daily.

28,340 U. S. Troops Arrive in New York In Single Day

NEW YORK, July 20 (UP)—Exactly 28,340 U. S. troops—the greatest number ever to come home from European battlefield in a single day—began pouring into the New York harbor today.

The entire 44th infantry division—14,758 officers and men—was due aboard the huge liner, Queen Elizabeth. Five other transports had docking orders, and army reception centers in this area buckled down to the business of preparing steak dinners for 26,779 G.I.s. The other 1,561, arriving on the hospital ship, Frances Y. Slinger, will be taken to Halloran general hospital in Staten Island, N. Y., for rest and treatment.

Most of the 44th division soldiers will be home when they enter the harbor, because the outfit was composed originally of New York and New Jersey national guard units. A Salt Lake City officer, Maj. Gen. William F. Dean, is their commanding general.

Matter of Death of Collier Explained

BERLIN, July 20 (UP)—Gen. George S. Patton and Brig. Gen. John H. Collier straightened out the little matter of Collier's "death" today. Patton strode up to Collier, grasped his hand, said, "It's good to see you alive, Peewee." Back in Normandy a German shell passed between Collier's legs and ripped his trousers. Word got around he had been killed.

Patton wrote a personal letter of condolence to Mrs. Collier in Dallas. When news Collier was still alive reached him, Patton sent a telegram to Mrs. Collier, explaining. The two generals agreed today it was lucky the telegram arrived before the letter.

More Charges of Brutality Made

LONDON, July 20 (UP)—Fresh charges of brutality on the part of American army jailers at the U. S. 10th replacement depot guardhouse in England were published by the army newspaper Stars and Stripes today.

An anonymous infantryman asserted in a letter to the paper American soldiers in the depot guardhouse were lashed and beaten as they stood naked in an icy latrine, struck in the kidneys with clubs and made to dig holes with their teeth.

The soldier, who signed himself "Pfc. Infield," said he had not been beaten himself, but he had witnessed brutal punishment inflicted on the other military prisoners.

BILL FOR CLOTHES

WASHINGTON, July 20 (UP)—Discharged servicemen, under a new bill pending in the senate, would receive \$150 worth of clothes along with their discharge pay. The bill would provide each dischargee with \$150 in negotiable treasury coupons to be used to buy a new civilian outfit.

Building of Elgin, Business Women's club, Union, J. E. Robinson, May Park; Chapter R. P. E. O., Enterprise; Lutheran Ladies Aid, A-2 Club, Union; Mrs. E. Elliott, B. of R. T., Mrs. E. Fitzgerald, North Side Improvement club, Firemen and Oilers union, Baptist Women's Aid, Episcopal church.

A great number of servicemen are fed each day at the local canteen, the number having increased considerably since the collapse of Europe and the subsequent transfer of troops to the west coast.

Not only are the servicemen and their wives riding on the scheduled trains offered food, but also those going through on troop trains.

This drive was instigated to supplement the funds and keep the Hut in operation until money can be secured through the community chest drive later in the fall.

HEADING THE JIVE SET Navy Cap and Sailors Head Hat Parade

By EPSIE KINARD
NEA Staff Writer

NEW YORK—Hats will retire the "beanie" from the junior miss' head this fall. Slated to be worn everywhere but to bed is its direct successor, the "Pacific Flyer."

This style-swipe from aerial heres is a square-crowned, visored cap, and at lower left you see this Dobbs-designed rage of the day in felt as red as the scarlet tangar's.

For more hat, the big news is in cloches, visored berets, Glen-garry caps, towering pillboxes, "beef pies"—double-topped sailors with upturned brims—and sissy sailors.

Portland Accepts 1942 Traffic Fine Paid in Jap Pesos

PORTLAND, July 20 (UP)—The city of Portland was in receipt today of a 1942 traffic fine paid by Seaman Steve Hauser of Scappoose, Ore. In fact the city was paid in Japanese "phony money" invasion pesos issued in the Philippines.

Police officials decided after a huddle to accept the "payment" and cancel an old warrant for Hauser's arrest. The Jap money will be auctioned off at the Aug. 14 meeting of the Portland police fund society for benefit of the Shrine hospital for crippled children.

Five Ward Units in Army Control Again

CHICAGO, July 20 (UP)—Five units of Montgomery Ward and Co. are again under army control today because the mail order firm reportedly refused to put into effect directives of the national war labor board.

The units, included in 17 Wards properties seized last Dec. 28, had been returned to the company earlier this year. Approximately 600 workers are employed in the warehouse, printing plant, photographic unit, display factory and administration maintenance department taken over yesterday.

Rankin Demands Patterson Quit

WASHINGTON, July 20 (UP)—Rep. John E. Rankin, D. Miss., today renewed his demand for the resignation of Undersecretary of War Robert P. Patterson because of his stand on granting of army commissions to former communists.

Rankin's demand followed a press conference where Patterson declared a man's past membership in a radical organization "is no test of his essential loyalty to the nation" and should not bar him from a commission.

The white-haired Rankin immediately replied Patterson's own words "Just verify my statement that he ought to resign."

CAN'T KEEP GRANDMA IN HER CHAIR

She's as lively as a youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 2 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up, headaches and dizziness. Frequent or sooty passages with smarting and burning suggest your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 16 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
