No Results From Order on Lamb

PORTLAND, July 25 (UP)—An OPA order releasing points on lower grade western Oregon lamb hasn't produced the results that were expected, survey indicated today.

The second day of point-free lamb found Portland minus the expected increase of non-rationed chops, roasts and stews. Most livestock men attributed the shortage to the uncertainty among farmers as to what recent OPA action is going to do to the market.

T. T. Swenson of the office of marketing service for the bureau of agriculture reprted that lmbs for sole in the Portland area for Monday and Tuesday were 2,850 head. For the same days last week before, 3,382. However, the week of July 4 brought another low of 2,864 head.

Hungry Marine Eats $28.50 Worth In One Long Sitting

CAMP PENDLETON, July 25 (UP)—Buddies of Marine Pvt. Earl R. Wolfe, 18, of Ellittsville, Ind., who shelled out $28.46 in a rash attempt to see how much Wolfe could eat, today claimed for him the title of armed forces' chow champion. Wolfe, "really hungry," at one sitting devoured:

Twelve fish winners each with an order of French fries, combination salad and jello, four quarts of milk, six pints of ice cream, three malts, five cherry pies, six sandwiches, five tomato salads and four glasses of orange juice.

The check: $28.45.

Funeral Thursday For Mrs. McKennon

Funeral services for Mrs. Adelaide Rachelle (French) McKennon will be held at 2 p. m. Thursday at the Episcopal church at Cove, with Rev. Clarence Kopp officiating. Burial will be in Cove cemetery.

Mrs. McKennon, native of Cincinnati, O., had come west with her parents in 1868. She spent the greater part of her life in Cove. She was married tto Harris French in 1882 and he died in 1903. Besides membership in the Eastern Star and the Episcopal church, she was also a member of the W. B. A.

Morgenthau Says He Was 'Misquoted'

WASHINGTON, July 25 (UP)—Henry Morgenthau, jr., denied last night he had described his resignation as secretary of the treasury as an "involuntary" move.

He discussed his separation from the cabinet post during a speech before a network gathering yesterday. Published versions of his remarks quoted him as saying he quit involuntarily after President Truman asked him to make way for former war mobilizer Fred M. Vinson.

All New York reporters present quoted Morgenthau as saying "I would have preferred to stay along until V-J day" and that his resignation "was not of my choosing."

After the New York speech, Morgenthau returned to Washington where he was guest at a dinner given by Fiscal Correspondents association. He told newsmen here that his New York statement had been both misquoted and misinterpreted.

250 at July 24 Celebration Here Of LDS Church

More than 250 members of the Church of Jesus Christ of the Latter Day Saints last night commemorated the emigration of the early day members of the faith from Missouri and Illinois to the Great Salt lake valley by attending July 24 services here.

Beginning with an automobile caravan trip which including stops representing Independence, Nauvoo, Winter quarters, Ft. Bridger and the Salt lake valley, the group went to Riverside park for a banquet and program. There was a song by the primary department of the Sunday school and songs by two double quartets.

W. A. Roundy, grandson of one of the two men who broke the first half acre of ground in the Salt lake valley, in answer to an offer by Jim Bridger, mountain man, of $1,000 for the first bushel of corn grown in the valley, talk of the early days.

The banquet and program were presided over by Bishop Walter A. Lindsay. The evening ended with a dance.

Marcantonio Flayed By Senator Bilbo

WASHINGTON, July 25 (UP)—A bitter political feud waxed hot today as Sen. Theodore G. Bilbo, D., Miss., called Rep. Vito Marcantonio, A-L, N. Y., a "political mongrel" from "the sin-soaked communistic sections of New York."

"How dare such a creature have the nerve and audacity to pass upon the ethics and judgment of a states senator whose every heartbeat synchronizes with the ideals and principles of the founding fathers?" Bilbo demanded.

No Contempt

Hir ire was aroused by Marcantonio's written request that Bilbo apologize to Miss Josephine Piccolo, Brooklyn, for addressing her as "my dear dago" in reply to a letter.

Bilbo replied in a letter to Marcantonio it was "an old southern custom' 'to defer to persons of Italian descent as "dagos" and said "it is generally used without any suggestion of contempt."

Then he lit into Marcantonio.

"When and by whom were you appointed as the judge and arbiter to pass upon the contents of any letter that I might write to any person?" he demanded hotly.

Stocks Advance, But Volume Off

NEW YORK, July 25 (UP) — Stocks advanced sharply today but volume continued around the lowest for more than three months.

Net gains ranged from 1 to 3 points. The industrial average gained more than a point and the rail component nearly a half point. Rails came back fractions to more than a point. Utilities supplied a few substantial gains and chemicals were strong on advances running to 3 points. Building issues were given a whirl and numerous specialities had wide gains.

Navy Puts Point Discharge Plan In

WASHINGTON, July 25 (UP) — Some 30,000 older navy and coast guard reserve officers and men were assured today of discharge by December under the navy's new point discharge plan.

The plan was formally put into effect last night. It is designed to return to civilian life "older officers and men who have contributed their full share of wartime service."

Here's how it works:

Fifty-three to 57 points is needed for discharge, depending on the arm of service. Points are awarded solely on the basis of age and length of service. One point is allowed for each year of age to the nearest birthday, and one point for each four months of active duty completed since Sept. 1, 1939.

The navy estimated 30,600 reservists — 11,600 officers and 19,000 enlisted men — will be eligible for release under the system by December. However, since the plan is continuous, discharges will go on after that as men accumulate necessary points.

Fishing Boat Has Largest Catch

ASTORIA, July 25 (UP)—The crew of the 65-foot twin-screw Spitfire today is receiving congratulations for having brought to Van Camp's cannery yesterday the largest delivery of the 1945 season — 11½ tons of Albacore, all caught in one day.

The Spitfire's 23,000 pounds of tuna were caught about 65 miles offshore Monday. Had the Spitfire had plenty of bait and manpower, she would have stayed out longer, Bill Gillis manager for Van Camp said.

WAIT FOR CUT

WASHINGTON, July 25 (UP) —A 6 to 7 percent reduction in "inflated clothing prices" for which OPA and WPB began to plan last January will have to be postponed at least until next year, OPA said today. The reason, OPA spokesmen said, is that the proposed rollback would have been too abrupt.
