Rotarians Hear Postwar Problem Discussions

(Continued from Page 1)

human qualities and life, and set the future work of the church and all citizens in the direction of conservation of human qualities and life.

Roy Grettum, of the Eastern Oregon Light and Power company, outlined three business problems, retooling, unrestrained competition, and selling and advertising so that the public will be able to evaluate and use the myriad new items which industry is and will be able to produce.

New Methods

The forum discussion was preceded by a talk made by Mary Jane Green, educational director of the Oregon Tuberculosis association, who described the mass case finding methods used with new portable X-ray machinery. The unit will soon come to La Grande, she said after survey of the miniature X-rays, the individual is sent to his own physician for further diagnosis and treatment.

Miss Green was introduced by Horace J. Nelson, president of the Union county public health association.

Guests were Dorsey M. Hill, Walla Walla Rotarian, C. J. Shorb, AERM 2/c Stewart Wylde and Capt. Howard K. Dixon.

Plan Picnic

W. C. Perkins, chairman of the picnic committee, announced the event will be held next Wednesday evening at Riverside park. The club will furnish watermelon, sweet corn, coffee, sugar and cream. Members and their families are required to bring entrees and salads and table utensils, he said.

The meeting was presided over by Frank Schiro, vice-president, in the absence of Dr. Roben Manske, attending a Rotary assembly in Salem with Clarence Kopp, secretary.

Atomic Bombs Cost Japan Half Million Casualties Says Report

SAN FRANCISCO, Aug. 22 (UP)—Japanese broadcasts today said atomic bomb raids on the cities of Hiroshima and Nagasaki had cost nearly half a million "casualties and sufferers" and levelled buildings within a radius of 10 miles.

The second atomic bomb dropped Aug. 9 on Nagasaki took a toll of "more than 10,000 persons killed, more than 20,000 wounded and more than 90,000 rendered homeless in the city," Tokyo said.

Can't Survive

Furthermore many persons are dying daily from burns sustained during the course of the raids," A Tokyo propaganda broadcast said.

It followed a few hours after a technical report by Sutezo Torii.

More than 60,000 were killed in Hiroshima Aug. 6, Tokyo said, and "the number of dead are mounting as many of those who received burns cannot survive their wounds because of the effects the atomic bomb produces on the human body.

"Even those who received minor burns," one broadcast asserted, "looked quite healthy at first, only to weaken after a few days for some unknown reason and frequently die."

Whirlpool

One hundred thousand were wounded and 200,000 "rendered homeless" at Hiroshima, where the world's first atomic bomb exploded a terrific whirlpool of energy. Immediate effects were felt for 10 minutes.

Three days later the second bomb hit a Nagasaki factory area.

"Although parts of the city of Nagasaki did not receive the direct concussion" roofs and windows of buildings "almost in the entire city" were blasted.

"Since the explosive pressure is circular," Torii said, "it is ineffective to seek shelter."

Eight Miles Away

An American superfort, he said, switched off its engine Aug. 6 over Hiroshima, dropped the bomb from an altitude of 25,000 feet and turned west. By the time the bomb exploded the plane was about eight miles away.

"There were approximately 100 seconds between the time the atomic bomb droppd and the time it exploded. There was a flash and white smoke, which gradually formed into a cumulus.

"Persons on the ground who witnessed this spectacle said they saw ripples of circular heat rays. The waves are believed to have continued for approximately two seconds."

"Explosive pressure" after the blast, Torii declared, was "felt for a considerable length of time."

"Length of time of the explosive pressure depends on the distance, but is believed to be about the same as a sound wave.

Powerful

The flash and pressure of the concussion, he added, were "extremely powerful" and "after the atomic bomb explodes it scatters elastic energies throughout the air.

Torii said there also seemed to be a difference as to "the severity of burns persons sustained—namely, the side directly confronting the bomb is serious."

"It was also discovered," he added, anything black absorbed the heat more than white, and it left black stains on white clothing.

NEW SENATOR — Maj. William P. Nowland, above, son of Joseph R. Knowland, publisher of the Oakland, Calif., Tribune and a prominent Republican, has been named by Gov. Earl Warren as U. S. senator from California, succeeding the late Hiram W. Johnson.

MacArthur Will Meet Foe on Ship In Bay of Tokyo

(Continued from Page 1

airdrome in the vicinity of Tokyo and naval and marine forces will land in the vicinity of Yokusuka naval base on Aug. 28, 1945. The instrument of surrender will be signed in the Tokyo area Aug. 31."

Japanese warships and merchant fleet were ordered to report their positions immediately to the nearest American, British or Soviet radio station.

Protect Supplies

The Japanese were particularly instructed to look to the safety and welfare of allied war prisoners.

The Japanese were ordered to protect supplies dropped by air to prisoner of war and civilian internment camps.

They also were ordered to remove all mines, minefields and other obstacles and to mark safety lines.

Situation on other Pacific fronts Wednesday:

CHUNGKING—Formal surrender of 1,090,000 Japanese troops in China appeared likely within 48 hours of Nanking; China served notice on Japan her troops will take over Formosa and northern half of Indo-China.

No Orders

LONDON—Japanese radio at Saigon was heard acknowledging receipt of Lord Mountbatten's third surrender message to Japanese southern army but maintained no orders had been received from Emperor Hirohito to cease fighting.

LONDON—Moscow radio announced capture of Emperor Kang Teh, Japan's puppet ruler in Manchuria, and 52,000 more Japanese officers and men; entire fifth Kwantung army surrendered.

BORNEO, BOUGAINVILLE, NEW GUINEA—Situation unchanged with isolated pockets of Japanese showing sporadic resistance.

JAPANESE ENLISTS

FORT DEVENS, Mass., Aug. 22 (UP)—Dr. Schuichi Kusaka, 29, Japanese-born Smith college professor of physics, became a buck private in the U. S. army today. He was inducted as a volunteer. He had tried to join the army last October but since he was listed as an enemy alien, 10 months elapsed before he was given final clearance.

DIPLOMATS ARRIVE

BOSTON, Aug. 22 (UP)—Six Japanese diplomats who formerly served their government in Rome arrived here today with some 8,000 GIs aboard the transport USS Wakefield but were held incommunicado pending their transfer to an internment point in Pennsylvania.

City News In Brief

TRAINING SCHOOL — Members of the extension units in Union county will meet at 2 p. m. Aug. 28 in the home demonstration agent's office, it was announced today. Purpose of the meeting is to make definite plans for the officers' training school to be held Sept. 18 in La Grande. The school will give the officers of all extension units a chance to talk over and solve their problems.

FOOD DEMONSTRATION—Miss Doris McWhorter, Union county home demonstration agent, will give a demonstration on freezing of foods 2 p. m. Friday at the home of Mrs. Lester Robinson, Cove. Interest in food freezing is high in Cove, since the addition of new freezing lockers in that area.

CHAIRMEN MEET — Chairmen working on the home economic division of the county-wide 4-H club fair, to be held in La Grande Sept. 19-20, will meet at 7:30 p. m. today at the home of Miss Doris McWhorter, Union county home demonstration agent. Details of the fair will be planned, and instructions will be given to the leaders concerning the bringing in of the projects. Besides Miss McWhorter, Mrs. C. C. Cochran, La Grande, and Mrs. Laurose Hibberd, Imbler, will be present.

CLUB MEETING — Mr. and Mrs. Club of First Methodist church will not meet this month, but will have its regular meeting in September, Ruth Taylor, secretary-treasurer of the organization, announced today.

SAME PRICES — Community ceiling prices on fruits and vegetables in this area will be extended one more week at present levels, Nelle Grimmett, ration board clerk, was informed today by the district OPA office at Portland.

BICYCLE FOUND—Abandoned bicycle was found yesterday by city police at 2201½ North Fir street.

HARLOW HOME—Al Harlow, Union county treasurer, has returned from a two weeks vacation, which he spent in Portland.

STILL IN HOSPITAL—Robert Bradshaw, Paul Carmen, Jim Nichols, Julieanne Dunn, Carroll Jean Nichols, and Robert Mathis, still in Grande Ronde hospital with injuries received in an automobile accident Saturday morning on the Island City highway, are reported "doing nicely." Roy Allen and Stanley Porter, also injured, have been released from the hospital.

PIN-WORMS

Now can be Beaten!

The miseries of Pin-Worms have been known for centuries, and millions of victims have sought a way to deal with this pest that lives inside the human body.

Today, thanks to a special, medically recognized drug (gentian violet), a highly effective treatment has been made possible. This drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son.

The small, easy-to-take P-W tablets act in a special way to remove Pin-Worms. So don't suffer in silence with the embarrassing rectal itch caused by this ugly, stubborn pest. Ask your druggist for a package of JAYNE'S P-W and follow the simple directions carefully. Satisfaction guaranteed or your money back.

P-W—the treatment for Pin-Worms.

Quisling Denies Work to Include Norway in Reich

OSLO, Aug. 22 (UP)—Vidkun Quisling became hysterical at his treason trial today when the court repeatedly demanded whether he worked for Norway's inclusion in the greater reich.

After evading direct answers to a series of questions regarding a letter he sent Adolf Hitler and a memorandum he had drafted on Norwegian-German collaboration, the former puppet premier of Norway cried hysterically:

"I did it to save my country! The last four years have been a nightmare for me because I had to fight both sides!"

The third day of Quisling's trial opened with disclosure court psychiatrists had examined the defendant June 18 and had found "no signs he is mad and nothing to show he is a person with under-developed or weakened mental power."

Special prosecutor Annaeus Schjoedt read the text of a letter sent by Quisling to Hitler July 10, 1940, complaining he had not received promised financial support.

Four Roads Will Merge, First Real 'Coast to Coast'

NEW YORK, Aug. 22 (UP)—Activity in rails and strength in merchandising shares featured an advance in the stock market today. Interest in the carriers was stimulated by announcement of plans for a merger of four roads under Alleghany corporation control.

Carl E. Newton, president of the Chesapeake & Ohio railway, said directors had agreed on a plan for merger with the New York, Chicago & St. Louis (Nickel Plate) railroad, Pere Marquette railway and the Wheeling & Lake Erie. The merged line, with the Missouri Pacific—also controlled by Alleghany—will constitute the first bona-fide coast-to-coast railroad.

The normal pulse rate of humans may range from 150 per minute at birth to 67 per minute in old age.

Many Hard of Hearing Can Hear Tomorrow

with Ourine drops used with a simple syringe. If you are deafened, bothered by ringing buzzing head noises due to hardened or coagulated wax (cerumen), try the Ourine Home Method test that as many say has enabled them to hear well again. You must hear better after making this simple test or you get your money back at once. We recommend Ourine
