80 Years of Service

In September 1865, just following the close of the Civil War, this bank started serving the people of this great Oregon Country. Now, 80 years later and at the close of another war, we take the opportunity to express our pride and satisfaction in the part we have played in helping thousands of businesses and individuals with their financial affairs.

As we go forward from this anniversary we pledge the people of this State and the Pacific Northwest that this bank will continue to contribute its full share toward a sound and prosperous peacetime economy.
