Presbyterian Aid Has First Fall Season Meeting

The Presbyterian Ladies Aid held the first meeting of the fall season yesterday afternoon in the church parlors, with Mrs. B. A. Van Wormer, president, conducting the meeting and with all the officers in their stations.

During the business meeting the women decided to hold a rummage sale October 6 in the basement of the church. Business for later in the season was also discussed.

A note was read from Mrs. Chris Miller who is visiting in West Virginia, in the little town of her early womanhood. Several members told of their vacation trips taken this summer.

The program was a skit on hats, presented by Mrs. Oscar Poarch and Mrs. Kate Hansen. In the contest indulged in, Mrs. Esther Owsley won the prize. Officers served delicious refreshments.

Professional Talk Ended While Fire Attended Business

ALBANY, Sept. 14 (UP) — Fire Chief Don Hayne was interrupted during his address to the Albany chamber of commerce yesterday on "the prevention of fires in your home." Returning to the platform half an hour later he explained he had been called away on business — the fire house had caught fire and nearly burned to the ground.

T/4 Earl (Ollie) Johnston recently left for overseas duty. He is with the army amphibious forces. Johnston entered the service Nov. 24, 1944 and was sent to Camp Gordon Johnston, Fla., for diesel training. He spent a furlough in La Grande in May before going to Fort Mason to complete his unit training.

T/Sgt. Boyd Jackson recently returned from Germany, is spending a few days here visiting his mother, Mrs. Ruth Jackson. Sergeant Jackson has been in the service four years and has seen extensive action.

Miss Gerry Wright entertained 10 guests last evening with a pre-college party. Miss Wright took her guests to the theater and then to her home for refreshments.

Guests were Hildegard Rettig, who left last night for Eugene to enter the University of Oregon; Mary Jasper who will leave soon for Moscow, to enter the University of Idaho; Nancy Fitzgerald, to leave soon for Reed college in Portland; Carolyn Bohnenkamp, to attend Oregon State college, and Jane Rees, Mary Ann Smith, Carol Larson and Virginia Rivers who will attend Eastern Oregon college, and Mrs. James Houle.

Donations Needed At Do Nut Hut Still

Since V-J day donations to the Do-Nut hut have rapidly decreased, both from individuals and organizations, though troop movements bring increased numbers of troop trains through the local railroad yards daily, hut workers report.

Some organizations which have

pledged food for specific days have failed to make any contribution and have left the women serving unprepared for the large numbers of service men who stop there, and last minute purchases then have had to be made.

Workers at the hut say if the public knew of the increased demands made on the establishment pledged contributions would be filled.

IS CHEVRON SUPREME A HIGH-OCTANE GASOLINE?

Chevron Supreme has the highest high-octane number of any gasoline we've ever put on the highway. Now that doesn't mean it will turn your family car into a racing car—far from it. But it will do for your car just what Chevron Aviation Gasoline does for aircraft. Here is how:

This is how Chevron Supreme prevents improper combustion in your engine. Motorists call it "ping," flyers call it "detonation." It robs engines of power, wastes fuel, makes cars sluggish. By taking the ping out of your motor, Chevron Supreme helps you get every ounce of power built into it.

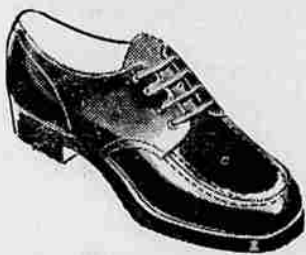

You'll drift over the toughest hills with never a knock on Chevron Supreme, you'll have ready reserve power in traffic, and alert getaway from a stop light—that's what high-octane means. Try this highway version of a famous flying fuel—you'll say:

There's a new kind of thrill in driving when you use
