For many years, we have made it our business to equip our plant and train our personnel to handle all automotive problems for all cars. Our motto has been and is more emphatically today "Service for All Cars." It makes no difference what your automotive problem may be, we are equipped to handle it.

Expert Car and Truck LUBRICATION

COMPETENT MEN
DO A THOROUGH
LUBRICATION JOB

Our lubrication work is done on a thorough basis, designed to keep your automobile or truck in the best possible driving condition and to give you the greatest economy through elimination of breakdowns and emergency repairs.

LET US READY
YOUR CAR FOR
WINTER DRIVING

Now is the time to prepare your car for winter. Winter driving is far more severe than summer driving and your car will be called on this winter for more mileage than in several years. Keep it in good shape until you can drive that new car out of our garage.

Factory-Method RECAPPING

All Materials and
Workmanship
Fully Guaranteed

Perkins' factory recapping has kept thousands of Union county cars rolling throughout the war. We guarantee our work. You will get more mileage and satisfactory service than with any other method.
