Fresh Daily to Your Grocer!**

OUR MODERN LA GRANDE BAKERY SERVES UNION - BAKER - UMATILLA AND WALLOWA COUNTIES

Future Plans Call for Still Further Plant Enlargement and Improvement

Since taking over the K. J. McWilliams Bakery early this year, Eddy's Bakery has been installing new equipment, designed to produce a better product more efficiently for the housewives of northeastern Oregon. This improvement is continuing daily and will accelerate as soon as conditions permit. It is

our intention to create the finest baking plant in the northwest in La Grande and to extend our distribution service even beyond the four counties we are now servicing. Eddy's Bread and Pastry products are baked for your table and are the finest obtainable.

25 PEOPLE EMPLOYED IN OUR LA GRANDE BAKERY

Present employment is 25 men and women. We expect that this employment will gain considerably as our expansion continues and as new employes arrive from the armed services. Eddy's Bakery payroll is an important one in La Grande and Union county.

THE FINEST QUALITY BAKING INGREDIENTS ARE USED IN BAKING EDDY'S BAKERY PRODUCTS DAILY!

The amount of flour used to satisfy the need for bakery products in northeastern Oregon is tremendous. We bake thousands of loaves daily and in addition to many pounds

of pastry. This production requires many tons of flour yearly. All of this production is handled in the most sanitary method possible with up-to-date equipment.
