

SYMBOLIC of the aspirations of those who begin as children in their quest for knowledge is this photographic landscape of Eastern Oregon College of Education and of the Ackerman teacher's training school. Eastern Oregon college represents the final formal education of many entering college after . . .

completing grade and high schools. The magnificent spaces of the valley and the majestic outline of Mt. Emily in the distance may represent the paths and the high achievements awaiting after the student has completed his educational career.

**DON'T BE A  
LAST MINUTE SHOPPER  
SHOP EARLY  
IN THE WEEK**

**GET BETTER SELECTIONS! SAVE TIME!**

Shop early in the week and you will save money, obtaining better selections, saving your time and your grocer's. He will appreciate your consideration in shop-

ping early and will be better able to give you the service to which you are entitled. And when you do shop you will find it profitable and a smart culinary trick to
