### Steel Demand Aids Rest of Stock List

**NEW YORK, Oct. 6 (UP)**—Demand for steel shares helped the entire list of stocks today and prices climbed to a further new high for more than 80 years. Trading was fairly active in the short two-hour session.

Some of the buying in steels was traced to the better labor outlook created by return of the oil workers to their jobs, and by plans for resumption of production Monday at the Kelsey-Hayes Wheel company, the latter move permitting the Ford Motor car company to resume post-war output.
