## BAKING DAYS ARE HERE

Naturally, baking success depends on top-quality ingredients, and Safeway will save you money on all such foods.

### How hot breads can enhance your meals

Hot muffins and rolls give that extra flip to the meals you'll be serving these Fall days when there's just a hint of frost in the air. While dinner is in the making make full use of your oven heat by baking some of the old favorites listed below.

**Hamburger Muffins** make a main dish in themselves. Brown 3/4 to 1 pound hamburger in frying pan, sprinkle lightly with poultry seasoning, salt and pepper. Add to your favorite muffin batter.

**Spoon into greased muffin pans**, filling 2/3 full. Bake in moderately hot oven (425° F) 25 minutes or until done. Make gravy with meat drippings, and serve over muffins. Serves 6.

**Surprise Muffins** are a treat for a special breakfast. Break them open for the surprise inside. Spoon muffin batter into well-greased muffin pans; place 1/2 teaspoon jam or jelly on top. Bake in a moderately hot oven (425° F) 20 minutes. Makes 12 muffins.

**Tomato Biscuits** give flavor and color to old standbys. Simply use tomato juice instead of milk in a standard baking powder biscuit recipe. A few caraway seeds sprinkled on top of the biscuits add flavor interest too.

**Supper Rolls**—Place 1/4 cup shortening, 1 teaspoon salt and 2 tablespoons sugar into large bowl and add 1 1/2 cups lukewarm water; stir well. Stir in one beaten egg and one cake fresh yeast crumbled. Add 3 1/2 cups sifted all-purpose flour all at once and beat with fork to make a soft dough. Spoon batter into well-greased muffin pans, filling half full. Cover with a damp cloth and let rise about 1 hour, or until light. Bake in moderately hot oven (425° F) 20 minutes or until lightly browned. Makes 18 rolls.
