WOODS AND RIPPLES

The Columbia river is high. Some large sturgeon are being caught. The Umatilla river is dropping and should be good to excellent for liberated trout. Cold springs reservoir is fair for crappies and good for small bass to 12 inches. McKay creek and McKay reservoir have been poor. East and West Birch creeks are clear and angling should be good for released rainbow.

The south fork of the Walla Walla river is high and clear and angling for rainbow is fair to good for bait and fly anglers. A few dolly varden to 14 inches in length are being taken. The north fork of the John Day river and Desolation creek are high. Angling has been slow.

The Grande Ronde river should be good for planted rainbow above

Tony Vey meadows. Catherine creek should be excellent above the Ponds highway this weekend for planted rainbow. A few chinook salmon are being taken on Catherine creek. Angling should improve at Roulet and Vogel ponds for released fish.

Most streams in Walla Walla county remain high but angling in the Walla Walla river from Minam to Joseph is good for brook and rainbow trout. Walla Walla lake has been producing good to excellent catches of Kokanee and rainbow to bank and boat anglers. A few machinaws are entering the creeks at Walla Walla lake.

The North Powder pond has been excellent. Haines pond is good on bait and good to excellent for fly anglers in the evenings. Highway 203 pond has been slow. Eagle and Pine creeks are high but should be good for planted trout. The smaller creeks in Baker county are in good shape and some limit catches of small fish have been taken.

Anglers for bass to 14 inches in length and small catfish has been good in the Brownies pool between Huntington and the Brownlee dam. Excellent catches of bass to 12 inches in length are being taken from the Baldock slough at Baker. The upper Powder river should be good to excellent for planted and wild trout. Trolling at Unity reservoir remains good to excellent for boat anglers using small flatfish. Trout are averaging 11 inches to 14 inches in length.

Fair to good catches of rainbow are being made in the Burnt river below Unity dam and in the north and south forks of the Burnt river. Large rainbow are available in the Whitney ponds and best results would be with fly angling during the early morning and late evening. Trolling and bank angling at Higgins reservoir remains good to excellent for cutthroat trout to

Haddix, Perfect Game Loser, Never Had It So Good

By RAY W. DOHERTY
UPI Staff Writer

MILWAUKEE (UPI) — Harvey Haddix will be living in a gold-fish bowl for the next few months.

The Little Pittsburgh Pirates leftyhander will be the subject of interviews, endorsements, banquets, and even a National League ceremonial because of the 12 innings of perfect baseball he threw at the Milwaukee Braves Tuesday night.

The historic chore will mean some extra money for him too. How much isn't certain at this time, but one unofficial source said it could boost his income this year by \$10,000, maybe more. Television shows doubtless will be after him to tell his story. The razor blade sponsors will probably want him to shave before the cameras.

He was deluged with telegrams Wednesday and he probably gave more interviews in a day than he had in his seven years in the majors.

Here Lacks Sleep

"Look at my eyes," said Haddix in the Pirates dugout before Wednesday night's game with Milwaukee. "I didn't get as much sleep today as I usually do."

"You probably were the most photographed and talked about man in the country today," said a reporter. Just then another radio man came up and asked if Haddix "was ready." With that he walked over to the corner of the

18 inches and rainbow to 12 inches. Angling success at Murray reservoir has been excellent for rainbow to 12 inches. Fly angling early in the morning or late in the day produces best results.

The trout farm pond on the upper John Day river is good for eastern brook trout to 14 inches and rainbow to 12 inches in length. The upper John Day river and upper Canyon creek are good for planted trout. The Patterson, Oliver and Morris ponds have been producing good catches of trout. Other John Day dredge ponds have been slow. Magone lake is good for eastern brook trout to 13 inches on deep troll. Butte creek and Hubble lake are good for planted rainbow.

dugout to repeat the story of how he set down 36 Braves in a row without a hit and then lost in a whacky 13th inning.

It wasn't until midday Wednesday that the score was finally decreed to be 1-0 by National League President Warren Giles.

The whole affair was complicated. Joe Adcock hit the ball over the fence with Henry Aaron and Felix Mantilla on base for what should have been three runs. But the big first baseman passed Aaron, who had stopped running because he thought the ball was inside the park and Mantilla had already scored. Umpire Frank Dascoli gave Adcock a double and scratched one of the runs.

Only Winning Run Allowed
Giles said only the run necessary to win the game will be counted. He said Adcock would be officially credited with a double because he had failed to touch all the bases.

Giles said the National League is preparing an "appropriate observance" of Haddix' performance. He didn't indicate the nature of the affair, but hinted it will take place at Pittsburgh.

Haddix said among the mound of telegrams he got was one from Pittsburgh Mayor Thomas J. Gallagher, who said his "pitching skill and personal courage, although exerted in a heartbreaking effort, is an inspiration to all of us who so dearly love our national game."

Haddix apparently wasn't so sure the glory compensated for loss. "I think I would have settled for the victory," he said. But there are many who say the little guy never had it so good, for a pitcher who lost the game.

Bowdry Wins Over Anthony

CHICAGO (UPI) — Jesse Bowdry boxed top challenger for the light heavyweight title, Tony Anthony, so today he was on the threshold of taking over the position himself.

Rated No. 7 among the 175-pounders before he overcame the 3-to-1 odds favoring Anthony, Bowdry today had a chance to meet the long-time trial horse of the division, Harrold Johnson. Another victory also might give Bowdry a chance as champion Archie Moore's major rival.

Anthony, losing for the seventh time in 46 bouts and for the second time by decision, will be dropped to the fifth or sixth spot by the National Boxing Assn., it was learned; while Johnson will move up to the No. 1 rung with Bowdry somewhere in the top five.

Bowdry, a 21-year-old former Golden Gloves champion who always is confident of a win, explained his win over Anthony as just a result of hard work and careful planning.

Bowdry hit with just about everything else Wednesday night too. Anthony, holding a two-pound bulge in weights at 177 (167), was cut over the left eye and on the lips in the second round.
