

Oregon's Roscoe Cook Equals World Mark In 100-Yard Dash

SOUNDLY THUMPS NATION'S FINEST

MODESTO, Calif. (UPI)—It's onward and upward for little Roscoe Cook, the latest "world's fastest human."

Cook, who equalled the world mark for the 100-yard dash at 9.3 Saturday night in the California Relays, while beating some of the nation's finest dash men, has a heavy campaign mapped out for the summer.

He has the NCAA meet; the national AAU competition—and then the Pan American Games if he can qualify. There also is the possibility of making the team for the meet against Russia.

Off the basis of what he did here Saturday, the 20-year-old University of Oregon sophomore from San Diego, should have no trouble.

All he did was beat back a challenge by the great Ray Norton of San Jose State; whip the fine young Syd Garten of East Texas State, and soundly thump the one and only Bobby Morrow, ex-Abilene Christian.

Fast and Close
This he did in one race. A race so fast that the three men finishing second, third and fourth were clocked in 9.4; and Morrow, a badly beaten fifth, in 9.5.

"We got off to an even start, but I pulled ahead at the halfway mark," said Cook later. "Then I felt Norton breaking down my neck. But I did like my coach told me—I just kept running."

The 100-yard dash was a thriller, but only one of many packed into a night of fine performances. These included:

1—The University of Texas sprint relay team set a new world mark in the 440-yard relay at 39.6. Running on the team were Wally Wilson, Eddie Southern, Hollis Gaine and Ralph Spaugh.

2—Four men cleared 15 feet in the pole vault. The winners, at

15-3, were Don Bragg of the Army and Jim Graham of Oklahoma State.

3—An American record for the hop, step and jump was set by Alvin Andrews of the Southern California Striders at 52 feet, 5 1/2 inches.

Record Javelin Throw

4—Gary Stenlund, 18, Oregon State freshman, bettered the world mark for youths under 19 with a heave of 240 feet, 10 1/2 inches in the javelin. This got him second place in the open intercollegiate division, with first going to Bob Voiles, Southern California Striders, at 244 feet, 10 inches.

5—Joel Wiley, Los Angeles State made the second longest jump in the world this year, when he cleared 26 feet, 2 1/2 inches.

6—Hayes Jones, Eastern Michigan, won the high hurdles in 13.6, and the low hurdles in 22.5.

7—Parry O'Brien tossed the shot 61 feet, 5 inches.

Cook and Norton were named the "outstanding athletes" in the open intercollegiate division. The Southern California Striders won the team crown with 59 points. San Jose State annexed the college division with 24, followed by Texas with 22, Occidental had 21, California 19, Southern California 18.

Look Out Above—Here Come Casey's Yankees

By FRED DOWN
UPI Staff Writer

Look out above—here come the Yankees!

They're not soaring high, wide and handsome like Able and Baker yet but they're out of the American League dungeon and set to take off from sixth place. The first division is only a game and a half away and even the first-place Cleveland Indians are only six games distant.

Casey Stengel's revived world champions climbed two notches to sixth place Sunday when they beat the Washington Senators, 3-0, and ran their winning streak to four games. The streak is the longest of the season for the Yankees who had been in last place since May 20.

World Series hero Bob Turley and first baseman Bill Skowron were the stars of the victory. Turley pitched a two-hitter and Skowron blasted a three-run homer in the ninth to beat Camilo Pascual.

Tigers Reach Fifth
The Detroit Tigers reached fifth place when they downed the Indians, 7-4; the Kansas City Athletics routed the Chicago White Sox, 9-1; and the Baltimore Orioles edged out the Boston Red Sox, 6-3; the Los Angeles Dodgers scored a 5-3 victory over the St. Louis Cardinals, and the Pittsburgh Pirates outslugged the Cincinnati Reds, 6-2 and 14-1; in the National League.

Pascual carried a two-hit shut-out into the ninth but Mickey Mantle doubled with two out. Yogi Berra was intentionally walked and Skowron connected for his eighth homer of the season.

Charlie Maxwell's three-run ninth inning homer off Jim Perry enabled the Tigers to reach their highest position of the season and gave rookie Jerry Davie his second win.

Garver Throws 4-Hitter
Ned Garver pitched a four-hitter for the Athletics who kayoed Early Wynn in the second inning and beat the veteran knuckleballer for the third straight time this season. Preston Ward clinched matters with a grand slam homer in the sixth.

Two Orioles dropped the Red Sox into the AL basement when Willie Tasby's sixth-inning single scored Al Pillarcik and snapped a 1-1 tie.

Robin Roberts beat Lew Burdette with a four-hitter for the Phillies in their opener but then the Braves got four-hit pitching from Warren Spahn who won his seventh game of the season and the 253rd of his career in the second game.

Johnny Antonelli struck out 11 batters and drove in three runs as the Giants moved to within 2 1/2 games of the Braves. Bob Schmidt

homed for the Giants as they handed Glen Hobbie his fifth setback.

Danny McDevitt replaced Sandy Koufax with the bases filled and none out in the seventh inning, retired Stan Musial on a foul pop and struck out Ray Jablonski and Joe Cunningham to end the inning. He then shut out the Cardinals in the last two innings to preserve Koufax's first win.

Smoky Burgess hit two homers for Pittsburgh in the first game and then snapped an 11-11 tie with a three-run seventh-inning homer in the nightcap of a free-hitting doubleheader with Cincinnati. Bob Skinner hit two homers and knocked in seven runs in the second game and Don Hoak hit three homers and had six hits during the doubleheader.

6,000 See OSC Varsity Bump Alumni Stars

CORVALLIS (UPI)—Oregon State's varsity football team conquered a star-studded Alumni eleven under the direction of ex-tailback Joe Francis, 38-16, Saturday before 6,107 spectators.

Francis, currently a quarterback for the Green Bay Packers, had hoped for a win with other former collegiate greats backing him.

The varsity scored the first time it put the ball into play. The first play, starting at the Beaver 35, had Jim Smette pushing to the alum 16 yard line. The score was

made in three plays with Don Kasso carrying.

At the start of the third quarter, the varsity jumped the margin to 14-0, gaining 63 yards on 10 plays. Smette plunged the final foot to score and added a two-point conversion.

Francis displayed his passing talent with a series of four throws, ending in a 33-yard touch-down to Sam Wesley, 1955 wing-back at OSC.

Francis followed with a 42-yard toss to Wesley on the next alumni drive. A pass to Bob DeGrant, a quarterback sneak and the alumni trailed by 30-16.

Junior wingback Ron Miller carried the varsity ball 53 yards to the 12, where Earl Harbin pushed it to the six on three plays. Aaron Thomas swept around end for the TD and Harbin drove it for the two points for the final tally of 30-16.

Veteran Jockey Suffers Critical Injuries In Fall

INGLEWOOD, Calif. (UPI)—Veteran jockey Ralph Neves remained in critical condition today from injuries suffered Saturday when thrown from a horse at Hollywood Park.

Neves, 41, was kept under sedation, but a hospital spokesman said he was improving. He underwent a two-and-a-half hour brain surgery following the accident.

Up on Rhin in the third race, his mount apparently clipped the heels of another horse and went to its knees. Neves rolled over several times, but apparently was not stepped on.

Doctors diagnosed his injuries as fractures of two vertebrae and a basal skull fracture with internal

cranial hemorrhage.

Neves has ridden more than 3,200 winners in his 25 years as a jockey and has taken numerous spills. In 1936 at Bay Meadows, he was pronounced dead after a tumble, but after an injection of adrenaline, he revived.

Ward Credits Win To Crew; Equipment

INDIANAPOLIS, Ind. (UPI)—Rodger Ward, a former Army pilot, shook off years of frustration to win history's richest 500-mile auto race in record time and he credited it all today to the best equipment and the sharpest pit crew.

Ward, 38, of Los Angeles, never better than eighth in eight previous Memorial Day classics, dodged five mishaps and outlasted 32 rivals Saturday to hit auto racing's jackpot. He averaged 135.857 m.p.h. for the distance compared with the 1957 record of 135.601 by the retired Sam Hanks.

Together with car owner Holbert Wilke of Milwaukee and car builder-mechanic A. J. Watson and his crew, Ward took home \$338,150 from a total purse of \$338,150 carved up at Sunday night's traditional victory dinner. The winner usually gets 40 per cent of the car's earnings, but reaps many other profits.

Jimmy Bryan, who never even got started this time, received a payoff last year of \$105,574 from a total purse of \$305,217.

Ward made three evenly-spaced pit stops and led Jim Rathmann, the runner-up for the third time in seven years, by 23 seconds at the finish.

Ward piled up such a margin that he didn't relinquish the lead even during his last two stops for tires and fuel. Watson's crew, working with split-second precision, used up just 72 seconds for the three pit stops.

"They were so fast I didn't have time to catch my breath," Ward said.

BEDARD WINS SINGLES

SCHROON LAKE, N.Y. (UPI)—Bob Bedard, the Canadian Davis Cup star, won his second consecutive singles title in the Adirondack Mountain Invitational tennis tournament Sunday, whipping Sid Schwartz of Brooklyn, N.Y., 6-4, 6-2. Bedard then teamed with Lorne Maine of Montreal to beat Schwartz and Alan Fischl of Long Island City, N.Y., 6-4, 6-4, in the doubles final.
