ON AMERICA'S MOST PRACTICAL COMBINATION POWER TOOL

Save hundreds of dollars-do better work with this practical combination power tool. Combines a famous ATLAS WORKSHOP 8" Tilt/Arbor ball bearing circular saw and your choice of two 4" Workshop Jointers. A compact, portable unit that will handle the basic operations required in every woodworking job. Saves time, work and money . . . assures professional results. An amazing value. Come in and see it today!

vored the upside today although you wouldn't know it from the averages. Trading slackened from Thursday's pace.

The best gains were registered by issues outside the group used to compile the averages. Individual gains ran past three points in some issues, with the drugs one of the strongest sections.

Texaco was a bright spot in ar otherwise mixed oil group, rising almost 2 at its high. It backed down from this level under profit-taking. The company announced it was talking merger with Superior Oil of California

Johnson & Johnson was the upside feature in the drugs, rising around 6 points at its best level and touching a new high.

Firestone moved ahead in a
