the eye is how much of this
high economy has been discounted by the market in
advance. The market discounted meeting was sponsored by the World Health Organization, and was attended by noted scientists from 20 nations, including Russia and two other Communist coun-

cine, was developed by American researchers.

On one hand there were enthufield tests on more than 4,500,000 persons in Russia, Poland, Czechoslovakia. Singapore and Latin America. They said they found it entirely safe and highly effective. The U. S. Public Health Service, has so far refused to license live virus vaccine for general use in this country. It says many more carefully controlled tests are necessary to determine whether wholesale administration

of live polio viruses is really safe. SENTENCE PARALYTIC

NASHVILLE, Tenn. (UPI)-Le roy H. Jones, lying in a wheel-chair paralyzed from wounds inflicted by his step-sen, was sen-tenced to to years in prison ers and some dynamite.

Thursday for the slaying of his wife Jones, a Negro who pleaded after making provision for his

exceeded - was 1,124,800,410 shares.

It's been a big half year for stocks—sales the largest for the period since 1930 and a gain of 17 per cent. It was 119 per cent 14 per cent over last year's first of the 757,301,677 shares average listings for 1929.

During this time, prices of all sections, except the utility have been lifted moderately to a level far above a year ago.

Issuings to the standard run above 5 billion shares. The latest stock exchange count shows them at 5,270,000,000 shares, a rise of 5,270,000,000 shares, a rise of the standard standard run.

close but they show a gain of 15.3 Valuation of all listed shares per cent from June 30, 1958. This group follows the money market the day the industrial average and a decline is in order when money rates rise.

Valuation of all listed shares reached \$200 billion on May 29 to the day the industrial average set its record high. At the end of 1958 the total was \$277 billion.

30, 1958.

Widest Losses In June

The market rose each month except March and June excluding the utilities which lost in all but February and March, Widest losses were suffered in June. Best gains were made in April.

To the casual observer one would conclude that the market was in an enviable position with WASHINGTON (UPI) - Is live industry at a record high, conment falling, and Europe prosper-

> counted by the market in advance. The market discounted the swift rise in business last year and in that respect put the experts to shame.
> The experts missed their fore-

tries of Eastern Europe.

The conference heard sharply conflicting views of the live virus conflicting times the Salk vac. shown new records.

They have been quick to jump on the band wagon and now there sastic reports from scientists who have used live virus vaccine in field tests on more than 4,500,000 the annals of Wall Street an old market adage often has proved its worth: "When there is una nimity in any group, it's usually wrong."

Baby Sitter Gets Bang Out Of Guns

VENICE, Calif. (UPIA - Joseph E. Calloway. 22, told officers who arrived to serve him with two traffic tickets that he had "lots of guns."

The officers found a .45 caliber automatic, a fully assembled machine gun, seven rifles, two other
