Pitt's AD Take Post With AAW

SAN FRANCISCO (UPI)—The new Athletic Assn. of Western Universities goes into business officially Wednesday—with none other than Rear Adm. (Ret.) Tom Hamilton in command of the ship.
Hamilton, former Naval Academy football coach and athletic director at University of Pittsburgh for the past decade, accepted the new post Monday on a five-year contract.
He will come West today to meet officials in San Francisco and Los Angeles, then return to Pittsburgh until Aug. 1. He takes over his new duties on Sept. 1, with headquarters in San Francisco.

As "executive officer" of the AAWU, Hamilton will direct the athletic activities of Southern California, Washington, California and UCLA in the new conference, which succeeds the old Pacific Coast Conference.

"I took the post because of the fine opportunity," said Hamilton. "I have been working for a great university. Now I can work for four great universities."

It is probable that before Hamilton is settled in his new office very long there will be more than four schools in the conference. Stanford has been asked to join and President Dr. Wallace Sterling is looking into the feasibility of becoming the fifth member. It is possible that Oregon, Oregon State and Washington State also may be asked to join.

Most of these schools already are on each other's football schedules for at least the next five or six years. They also compete against each other in basketball, track and field, golf, swimming, wrestling, boxing, baseball, etc.

Hamilton had been contacted to take the job more than a month ago. He was one of several who were considered for the post.

"We are extremely pleased we were able to attract Hamilton," said Dr. Frank Kidder, faculty athletic representative at University of California and chairman of the organizing committee for the new association. "He is a national figure who commands respect among his colleagues in intercollegiate athletics."

CARDS SIGN DUNN

CHICAGO (UPI)—Billy Dunn, a rookie quarterback from Southern Methodist University, has signed his first pro contract with the Chicago Cardinals of the National Football League. Dunn, the seventh quarterback signed by the Cardinals, completed 34 of 69 passes for SMU last fall for a gain of 487 yards.

Braves, it's the Giants in second, two percentage points ahead of Los Angeles.

It was a typical, old-fashioned Giant-Dodger game Monday night in which five homers were hit, a key player was injured in a freak accident and the team had to battle three hours and 51 minutes before a decision was reached.

Thirteenth-inning homers by Jim Davenport and Willie Mays finally broke it up and gave Mike McCormick his seventh victory of the year. McCormick entered the game in the ninth inning and went the rest of the way to best Stan Williams who took over from Sandy Koufax in the 13th.

The victory may prove costly to the Giants because slugging first baseman Orlando Cepeda was struck in the face by a liner off Willie Kirkland's bat in the 13th and was taken to Daniel Freeman Hospital.

The Kansas City Athletics scored eight runs in the 10th inning to beat the Detroit Tigers, 10-3, in the only other game in either league.

Errors by pitchers Barney Schultz and Bob Smith helped the Athletics stage their big uprising which also included doubles by Kent Hadley and Ray Boone and singles by Roger Maris, Bob Cerv and Frank House. Bud Daley, who worked 9 1-3 innings, was credited with his eighth victory while Schultz suffered his second defeat.

Over 200 archers from Oregon, Washington, Idaho and Montana competed in the meet in both instinctive and freestyle divisions. Instinctive archery is shooting without the aid of an aiming device.

Plaques were given in men's and women's divisions of both instinctive and freestyle. Three of the four plaques went to Oregon archers.
